

AAMMP UP!

AAMMP Up your skills, change your world! **ARIZONA AVIATION, MINING AND MANUFACTURING PROGRAM**

PCC's Arizona Aviation, Mining and Manufacturing Program (AAMMP Up), in collaboration with area industry, offers a degree pathway in industrial technology that includes four short-term certificates and new short-term options to our existing degree programs in welding and aviation technology. Various industry-recognized certifications, such as AWS, OSHA, NIMS and NC3, which lead to real-world applications, are also available through hands-on training using state-of-the-art equipment.

From enrollment to employment, AAMMP Up provides training and connections to work-force opportunities at such places as power plants and advanced manufacturing, aviation and mining companies.
