## **End-of-Workshop Survey**

1.	What was your reaction to being placed into a developmental course? Please be specific.
2.	At the start of this workshop, what did you hope to achieve by the end of the week? Why did you take the workshop?
3.	How would you describe the overall learning environment created by the instructor? Was the learning environment helpful to you or not? Please explain.
4.	Would you recommend this workshop to others? Why? What would you tell others about this workshop?
5.	What are your thoughts on the time-commitment this week?
6.	If your COMPASS scores DO NOT place you into College Algebra (or an equivalent), will you still be satisfied with the workshop? Why or why not?

7.	What items did you find most beneficial to you this week? WHY did you find those items beneficial? Please be specific so we can be sure to keep those items in the future.
8.	What items would you get rid of or change? Why do you think those items should be changed? Please be specific so we can try to tailor the course to best fit our students.
9.	Did you like edready to help you prepare for the COMPASS? Why or why not? Please be specific.
10.	. Please add any additional comments that you think is important for us to know about this workshop:
