Bismarck State College is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.

ANNCR:

The doors at the National Energy Center of Excellence at Bismarck State College
are not meant to be walked through.

They are doors to charge through.

Because these doors will change your life.

The energy industry relies on us for a highly trained workforce.

In just two-years or less — by studying on-campus or online —

you can be in a high-paying career

without staggering student debt.

The BSC National Energy Center of Excellence – energy for your beyond.

Need to read disclaimer: *Partially funded by U.S. Department of Labor grant #TC-26460-14-60-A-38*
