

# Meet Local Employer, Safety Controls Technology

Get a Hands-On Experience with the SCT Safety Trailer

10 a.m. to 3 p.m. • Tuesday, Sept. 26

On LCCC's Elyria Campus between the Bass Library and College Center

LCCC is now offering an associate degree and short-term training in Industrial Safety. This program trains you to implement and enforce industrial safety standards.

**Paid internship opportunities are available with employers like:**

**SCT (Safety Engineering \* Consultation \* Training)**

**Diamond Products**

**These Industrial Safety courses begin October 6 at LCCC:**

- **SAFE 116 – Covers Bloodborne Pathogen Safety, Health Hazard Awareness and Record Keeping and Scenarios**
- **SAFE 118 - Gives an Introduction to Occupational Safety and Health Administration for Small Business, Public Warehousing and Storage and an Introduction to Safety and Health Management.**

**For more information, call (440) 366-4325.**
