

PLA Train-the-Trainer Pre-Test (online)

Note: Please place an XX in front of the correct answer(s).

1. Please indicate your name, institution, and email below:

2. Ohio's Portfolio Rubric was created to:

Make it easier for students to receive college credit for their time or experience

Provide consistency in portfolio evaluation across institutions

Evaluate course assignments submitted by your students

3. Before a portfolio can be accepted for assessment, _____ must be printed on the back of the rubric.

The specific course learning outcomes

The assessor's clearly worded expectations for the student

The student's signed honesty statement

4. When evaluating a portfolio using Ohio's Portfolio Rubric, you can easily match types of documentation to satisfy rubric criteria. For example, if a training certificate is present in a portfolio, the student can be assumed to have satisfied the criteria for Demonstration of Learning:

True

False

5. The recommended minimum score for a portfolio is:

12

9

17

6. Which of the following are important when determining if a portfolio satisfies the rubric category of Mastering Knowledge Skills criteria?

The portfolio shows the student can apply the knowledge and skills in practice for a sustained period

The portfolio has only minor spelling and grammar errors

The portfolio includes a letter of recommendation

The portfolio shows the student has mastered the knowledge and skills for the course learning outcomes
