Ashland County-West Holmes Career Center ([Http://twww.ohiomfg.com/Organization-Profile/?Id=22](http://twww.ohiomfg.com/Organization-Profile/?Id=22))

The Ashland County-West Holmes Career Center has manufacturing-focused programs for both high school students and adults. High school programs include robotics and advanced manufacturing. Adult education opportunities include welding technology and manufacturing plant maintenance.

Allen County Economic Development Group ([Http://twww.ohiomfg.com/Organization-Profile/?Id=11](http://twww.ohiomfg.com/Organization-Profile/?Id=11))

The Allen Economic Development Group (AEDG) works in collaboration with state and local partners to spur economic growth in Lima and Allen County. The development group works to support advanced manufacturing career pathways with the regional educational institutions. Additionally, AEDG...

Air Force Institute Of Technology-Graduate School Of Engineering & Management ([Http://Www.ohiomfg.com/Organization-Profile/?Id=B](http://Www.ohiomfg.com/Organization-Profile/?Id=B))

Air Force Institute of Technology's Graduate School of Engineering and Management provides advanced degree and certificate programs in various disciplines of engineering and physics.

Akron Public Schools ([Http://twww.ohiomfg.com/Organization-Profile/?Id=9](http://twww.ohiomfg.com/Organization-Profile/?Id=9))

Akron Public Schools provides job training and high school education programs in machine technology and welding. Additionally, the school district facilitates apprenticeships and internships in machine trades, tool and die, welding, and more.

Alliance Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=12](http://Www.ohiomfg.com/Organization-Profile/?Id=12))

The Alliance Career Center offers a full-time welding program in which students train and learn how to use both ARC and MIG welding equipment. This course leads to an industry-recognized NCCER certification.

America Makes ([Http://www.ohiomfg.com/Organization-Profile/?Id=14](http://www.ohiomfg.com/Organization-Profile/?Id=14))

America Makes is the national leader in additive manufacturing and 3D printing technology research, creation, and innovation. The public-private partnership engages with educational institutions to supply education and training. America Makes has developed a "workforce roadmap" for additive manufacturing and...

Advanced Manufacturing Technology Center ([Http://www.ohiomfg.com/Organization-Profile/?Id=7](http://www.ohiomfg.com/Organization-Profile/?Id=7))

The Advanced Manufacturing Technology Center (AMTC) is a collaboration between Terra State Community College, Northwest State Community College, and the University of Toledo. AMTC has five advanced manufacturing laboratories, offering programs in industrial automation maintenance, mechatronics, and robotics. AMTC also...

Appalachian Ohio P-20 Council ([Http://www.ohiomfg.com/Organization-Profile/?Id=16](http://www.ohiomfg.com/Organization-Profile/?Id=16))

The Appalachian Ohio P-20 council is a group of community leaders who come together to inspire a regional commitment to student success through community collaboration and partnerships. From pre-school through career training or even post-graduate studies, the Appalachian Council hopes...

Apollo Career Center ([Http://www.ohiomfg.com/Organization-Profile/?Id=15](http://www.ohiomfg.com/Organization-Profile/?Id=15))

The Apollo Career Center provides programs for both high school students and adult education seekers. Manufacturing-focused high school programs include automated manufacturing technology as well as welding and fabrication. The center offers adults the opportunity to pursue a certificate program...

Area 10 Workforce Development Board ([Http://www.ohiomfg.com/Organization-Profile/?Id=19](http://www.ohiomfg.com/Organization-Profile/?Id=19))

The Area 10 Workforce Development Board provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the workforce. The Board provides oversight to the operation of the OhioMeansJobs centers...

Area 14 Workforce Development Board ([Http://www.ohiomfg.com/Organization-Profile/?Id=20](http://www.ohiomfg.com/Organization-Profile/?Id=20))

The Area 14 Workforce Development Board provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the workforce. The Board provides oversight to the operation of the OhioMeansJobs centers...

Area 1 Workforce Development Board ([Http://Www.ohiomfg.com/Organization-Profile/?Id=18](http://www.ohiomfg.com/Organization-Profile/?Id=18))

The Area 1 Workforce Development Board provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the workforce. The Board provides oversight to the operation of the OhioMeansJobs centers...

Area 7 Workforce Development Board ([Http://www.ohiomfg.com/Organization-Profile/?Id=21](http://www.ohiomfg.com/Organization-Profile/?Id=21))

The Area 7 Workforce Development Board provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the world of work. The Board provides oversight to the operation of the...

Ashtabula County Technical And Career Campus ([Http://Www.ohiomfg.com/Organization-Profile/?Id=23](http://www.ohiomfg.com/Organization-Profile/?Id=23))

Ashtabula County Technical and Career Campus (A-Tech) offers high school programs and apprenticeships in precision engineering and machining as well as welding. Additionally, A-Tech offers a number of industrial courses for adult education including welding, CNC, and industrial maintenance.

Akron Testing Laboratory And Welding School, Ltd. ([Http://Www.ohiomfg.com/Organization-Profile/?Id=10](http://www.ohiomfg.com/Organization-Profile/?Id=10))

Akron Testing and Laboratory and Welding School has over 10 welding-specific training courses. It offers students a program in which they can learn different welding processes and develop their skills to meet industry standards and needs.

Auburn Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=24](http://www.ohiomfg.com/Organization-Profile/?Id=24))

The Auburn Career Center offers adult education courses in CNC machining, industrial maintenance, and welding. The center also offers manufacturing internship opportunities for its students and partners with local businesses for employer open houses.

Alliance For Working Together ([Http://www.ohiomfg.com/Organization-Profile/?Id=13](http://www.ohiomfg.com/Organization-Profile/?Id=13))

A consortium of almost 100 manufacturing companies, AWT's goal is to promote rewarding careers in the manufacturing industry and work toward the sustainability of manufacturing in the Northeast Ohio. AWT works to create awareness and interest in the industry, increase...

Building Bridges To Careers ([Http://Www.ohiomfg.com/Organization-Profile/?Id=30](http://www.ohiomfg.com/Organization-Profile/?Id=30))

Building Bridges to Careers was founded by a group of education, community, and business leaders with the goal achieving both college and career readiness for K-12 students in the region. The organization manages multiple workforce-focused initiatives including a high school...

Belmont College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=25](http://www.ohiomfg.com/Organization-Profile/?Id=25))

Belmont College offers degrees in engineering technology and various industrial trades, as well as certificate programs for welders and maintenance technicians.

**Bowling Green State University- Firelands Campus
([Http://Www.ohiomfg.com/Organization-Profile/?Id=26](http://www.ohiomfg.com/Organization-Profile/?Id=26))**

Bowling Green State University's Firelands Campus offers a wide range of degrees with a manufacturing focus including engineering technology, technology management, and mechatronics.

**Bowling Green State University-Main Campus
([Http://Www.ohiomfg.com/Organization-Profile/?Id=27](http://www.ohiomfg.com/Organization-Profile/?Id=27))**

Bowling Green State University's Main Campus offers a wide range degrees of with a manufacturing focus including engineering technology, technology management, and mechatronics.

Buckeye Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=28](http://www.ohiomfg.com/Organization-Profile/?Id=28))

The Buckeye Career Center offers numerous manufacturing-focused fields. These include opportunities for the following positions: CNC machinist, tool and die maker, engineering technician, maintenance technician, manual machinist, mechatronics, process technician, robotics technician, and welding.

Buckeye Hills Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=29](http://www.ohiomfg.com/Organization-Profile/?Id=29))

Buckeye Hills Career Center offers programs in computer and electronic engineering technologies as well as welding for high school students.

Butler Tech ([Http://Www.ohiomfg.com/Organization-Profile/?Id=31](http://www.ohiomfg.com/Organization-Profile/?Id=31))

Butler Tech offers manufacturing programs for both high school students and adults seeking additional education. High schoolers are able to pursue a program at the Construction and Manufacturing Academy. Adults can take programming in industrial technology or a number of...

Carrollton Exempted Village Schools ([Http://Www.ohiomfg.com/Organization-Profile/?Id=33](http://www.ohiomfg.com/Organization-Profile/?Id=33))

Carrollton Exempted Village Schools offers students the opportunity to join one of two VEX robotics teams as well as participate in robotics summer camp. The school also offers courses in automation and robotics and well as engineering design.

Columbiana County Career & Technical Center
([Http://Www.ohiomfg.com/Organization-Profile/?Id=46](http://www.ohiomfg.com/Organization-Profile/?Id=46))

Columbiana County Career & Technical Center offers both high school and adult education programs. The precision machining and manufacturing high school program offers students the opportunity to earn a NIMS Machining Level I Credential. The Center also has a welding...

Columbus Downtown High School ([Http://Www.ohiomfg.com/Organization-Profile/?Id=48](http://www.ohiomfg.com/Organization-Profile/?Id=48))

Columbus Downtown High School offers a specialization in engineering design and manufacturing operations.

Center For Design And Manufacturing Excellence
([Http://Www.ohiomfg.com/Organization-Profile/?Id=35](http://www.ohiomfg.com/Organization-Profile/?Id=35))

The Center for Design and Manufacturing Excellence (CDME) is the manufacturing port of entry into The Ohio State University. CDME is part of the Manufacturing Extension Partnership network, focused on providing manufacturing consulting services to small and medium manufacturing entities....

Cedarville University ([Http://Www.ohiomfg.com/Organization-Profile/?Id=34](http://www.ohiomfg.com/Organization-Profile/?Id=34))

Cedarville University offers programs in both electrical and mechanical engineering.

Central Ohio Technical College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=37](http://www.ohiomfg.com/Organization-Profile/?Id=37))

Central Ohio Technical College offers degrees and certificates in manufacturing engineering technology. The program is designed to develop skills in shop mathematics, blueprint reading, machining processes, precision layout and measurement, organization, communication, teamwork, programming and operating CNC machines as well...

Central State University ([Http://Www.ohiomfg.com/Organization-Profile/?Id=38](http://www.ohiomfg.com/Organization-Profile/?Id=38))

Central State has is one of few programs in the nation with a dedicated Department of Manufacturing Engineering. The department is dedicated to preparing students for manufacturing engineering careers in diverse manufacturing enterprises.

Center For Innovative Food Technology ([Http://Www.ohiomfg.com/Organization-Profile/?Id=36](http://www.ohiomfg.com/Organization-Profile/?Id=36))

The Center for Innovative Food Technology is a member of the Ohio Manufacturing Extension Partnership. In partnership with other MEP network members, CIFT provides valuable services within its 19 county territory. These services include workforce development training and assistance tailored...

Cincinnati Job Corps Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=39](http://www.ohiomfg.com/Organization-Profile/?Id=39))

Administered by the U.S. Department of Labor, JobCorps is the nation's largest free education and job training program for young adults. Cincinnati Job Corps provides work-based learning opportunities and vocational training in welding.

Cincinnati State Technical And Community College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=249](http://www.ohiomfg.com/Organization-Profile/?Id=249))

Cincinnati State Technical and Community College offers a number of degree and certificate programs that provide technical education and training to prepare students for the manufacturing industry. Degree programs include electrical engineering technology, electro-mechanical engineering, mechanical engineering, and welding. Certificates...

Cincinnati-Hamilton County Community Action Agency ([Http://Www.ohiomfg.com/Organization-Profile/?Id=41](http://www.ohiomfg.com/Organization-Profile/?Id=41))

The Community Action Agency is a private, non-profit organization that acts as a provider and facilitator for a broad range of public and private resources. The CAA facilitates the Cincinnati Manufacturing Certification program, providing 140 hours of training in Manufacturing...

Citywide Development Corporation ([Http://Www.ohiomfg.com/Organization-Profile/?Id=42](http://www.ohiomfg.com/Organization-Profile/?Id=42))

An economic development group investing in the growth of businesses in the Miami Valley region. Citywide Development Corporation has spearheaded the TechTown initiative in Dayton, a small business incubator with state-of-the-art facilities and expertise in technology acceleration and commercialization

Clark State Community College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=43](http://www.ohiomfg.com/Organization-Profile/?Id=43))

Clark State Community College offers its students a variety of manufacturing-related degrees and certificate programs. Degrees include industrial technology, manufacturing engineering technology, and mechanical engineering technology. Certificate programs include additive manufacturing, CNC, industrial maintenance, and welding.

Collins Career Technical Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=45](http://www.ohiomfg.com/Organization-Profile/?Id=45))

Collins Career Technical Center provides training programs in industrial maintenance and welding for adult education. The Center also offers industry certification in robotics through its STEM Academy.

Columbus City Schools ([Http://Www.ohiomfg.com/Organization-Profile/?Id=47](http://www.ohiomfg.com/Organization-Profile/?Id=47))

Columbus City Schools offers a variety of education and training programs through its career and technical education centers. Programs include welding, information technology, engineering, and advanced manufacturing.

ConxusNEO ([Http://Www.ohiomfg.com/Organization-Profile/?Id=50](http://www.ohiomfg.com/Organization-Profile/?Id=50))

An independent, non-profit organization committed to catalyzing growth and opportunity in Northeast Ohio. ConxusNEO unites cross-sector partnerships to develop shared goals, strategies, and measurements of success. The organization aims to give companies greater access to talent, provide residents with clear...

Coshocton County Joint Vocational Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=51](http://www.ohiomfg.com/Organization-Profile/?Id=51))

Coshocton County Joint Vocational Career Center offers a career-technical program in metal fabrication that provides a career pathway towards manufacturing and industrial maintenance.

Columbus State Community College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=49](http://www.ohiomfg.com/Organization-Profile/?Id=49))

Columbus State Community College offers a number of career and technical programs that prepare its students for careers in manufacturing. These programs include electro-mechanical engineering technology, electronic engineering technology, and mechanical engineering technology. Columbus State also offers certificates in engineering...

Cleveland State University ([Http://Www.ohiomfg.com/Organization-Profile/?Id=44](http://www.ohiomfg.com/Organization-Profile/?Id=44))

Cleveland State University offers degree programs in a range of engineering fields as well as a certificate program in manufacturing management.

Cincinnati State Workforce Development Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=40](http://www.ohiomfg.com/Organization-Profile/?Id=40))

The Workforce Development Center at Cincinnati State University offers flexible, hands-on training for industrial maintenance and advanced manufacturing careers. The Center utilizes state-of-the-art training labs and workplace tools and relies on practical instruction by industry professionals and provides opportunities for...

**Career And Technology Education Centers (C-TEC) Of Licking County
([Http://Www.ohiomfg.com/Organization-Profile/?Id=250](http://www.ohiomfg.com/Organization-Profile/?Id=250))**

C-TEC has manufacturing-focused programs for both high school students and adults. High school programs include Robotics and Automated Manufacturing (RAM TEC), Welding and Metal Fabrication, and Architectural and Engineering Design. Adult programs include General and CNC Machining, Advanced Manufacturing (EDGE),...

Delaware Area Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=55](http://www.ohiomfg.com/Organization-Profile/?Id=55))

The Delaware Area Career Center provides adult education courses in both introductory and advanced welding processes.

Ohio Dream It. Do It. ([Http://Www.ohiomfg.com/Organization-Profile/?Id=100](http://www.ohiomfg.com/Organization-Profile/?Id=100))

Ohio Dream It. Do It. is part of the Manufacturing Institute's national network to close the skills gap in the advanced manufacturing sector. The organization is dedicated to changing the perception and attitude towards the manufacturing industry. Ohio Dream It....

**Dayton Regional Manufacturers Association
([Http://Www.ohiomfg.com/Organization-Profile/?Id=54](http://www.ohiomfg.com/Organization-Profile/?Id=54))**

Dayton Regional Manufacturers Association (DRMA) is a membership organization providing outreach, training, advocacy, and strategic partnerships for manufacturers. DRMA spearheaded the organization of the local Manufacturing Day initiative, reaching more than 4,500 students through 40 local manufacturer open houses. DRMA...

**Eastland-Fairfield Career And Technical Schools
([Http://Www.ohiomfg.com/Organization-Profile/?Id=57](http://www.ohiomfg.com/Organization-Profile/?Id=57))**

Eastland-Fairfield Career and Technical Schools offer high school students a manufacturing technologies program aimed at providing the knowledge and skills necessary for a career in the industry. Additionally, the schools offer adult education training in CNC programs.

Eastern Gateway Community College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=56](http://www.ohiomfg.com/Organization-Profile/?Id=56))

Eastern Gateway Community College offers degree programs in engineering and machining. The college's Mechanical Engineering Technology Program focuses on automated manufacturing, CNC equipment, and flexible manufacturing systems. The college also offers a certificate program in welding.

Erie, Huron, Ottawa Vocational Education Career Center
([Http://Www.ohiomfg.com/Organization-Profile/?Id=58](http://www.ohiomfg.com/Organization-Profile/?Id=58))

The Erie, Huron, Ottawa Vocational Education (EHOVE) Career Center offers high school education programs in electrical, engineering, and industrial technology. Additionally, EHOVE has adult education opportunities for welding technicians.

Fairfield County Economic Development ([Http://www.ohiomfg.com/Organization-Profile/?Id=253](http://www.ohiomfg.com/Organization-Profile/?Id=253))

In addition to overseeing economic development in Fairfield County, this department acts as the Administrative Agent for the Workforce Innovation and Opportunity Act Area 20, encompassing Pickaway, Ross, Vinton, Hocking, and Fairfield Counties. This WIOA board is tackling workforce issues...

Fastlane /UDRI ([Http://Www.ohiomfg.com/Organization-Profile/?Id=59](http://www.ohiomfg.com/Organization-Profile/?Id=59))

A program of the University of Dayton Research Institute, Fastlane provides a menu of services and initiatives addressing manufacturing workforce challenges through outreach, education, and consulting. Fastlane has partnered with DRMA to conduct "Power Lunch" exhibits to capture middle and...

Greater Hamilton Chamber Of Commerce ([Http://Www.ohiomfg.com/Organization-Profile/?Id=61](http://www.ohiomfg.com/Organization-Profile/?Id=61))

The Greater Hamilton Chamber of Commerce provides a wide range of workforce services, including funding for job training, connections to local training programs, and recruiting and staffing solutions through their SkillCentral initiative. Additionally, the chamber hosts monthly roundtables for area...

Great Oaks Career Campuses ([Http://www.ohiomfg.com/Organization-Profile/?Id=60](http://www.ohiomfg.com/Organization-Profile/?Id=60))

Great Oaks Career Campuses provide full-time programs for both high school students and adults. Full-time programs include engineering technologies and robotics, electromechanical maintenance technology, and welding.

Greene County Vocational School District ([Http://Www.ohiomfg.com/Organization-Profile/?Id=62](http://www.ohiomfg.com/Organization-Profile/?Id=62))

Green County Career Center offers several manufacturing-focused high school level programs,

including engineering technology and welding and fabrication.

Grow Licking County (<Http://Www.ohiomfg.com/Organization-Profile/?Id=63>)

Grow Licking County works to provide responsive and individualized economic development support to businesses in the region. Through its new initiative Project Prepare, Grow Licking County is partnering with area schools and businesses to encourage interest in skilled trades and...

Ohio Hi-Point Career Center (<Http://Www.ohiomfg.com/Organization-Profile/?Id=102>)

Ohio Hi-Point Career Center offers high school programs in electronics engineering, robotics and automation, and welding and fabrication. Additionally, through the career center's partnership with Clark State Community College, adult education courses are offered in industrial technology and industrial maintenance.

Jefferson County Joint Vocation School (<Http://Www.ohiomfg.com/Organization-Profile/?Id=65>)

Jefferson County Joint Vocation School offers high school programming in both power mechanics and welding.

Jobs For The Future (JFF) (<Http://Www.ohiomfg.com/Organization-Profile/?Id=66>)

Jobs for the Future is a national nonprofit that builds education and economic opportunity for underserved populations in the United States. JFF design and support policies that promote regional workforce collaboration and innovation. Through its "Jobs to Manufacturing Careers" initiative,...

JobsOhio (<Http://Www.ohiomfg.com/Organization-Profile/?Id=67>)

A private non-profit organization focused on attracting capital investment and new business to the State of Ohio. While mainly focused on acquisition, JobsOhio provides Workforce Grant funding specifically for the improvement of worker skills and abilities in the state.

Kent State University At Ashtabula (<Http://Www.ohiomfg.com/Organization-Profile/?Id=68>)

Kent State's Ashtabula campus offers programs in electrical engineering as well as mechanical engineering technology .

Kent State University Columbiana County (<Http://Www.ohiomfg.com/Organization-Profile/?Id=72>)

Kent State's Columbiana campus offers programs in electrical engineering as well as mechanical

engineering technology.

Kent State University At Kent ([Http://Www.ohiomfg.com/Organization-Profile/?Id=69](http://www.ohiomfg.com/Organization-Profile/?Id=69))

Kent State's Main campus offers programs in electrical engineering, mechanical engineering technology, as well as manufacturing engineering technology.

Kent State University At Trumbull ([Http://www.ohiomfg.com/Organization-Profile/?Id=70](http://www.ohiomfg.com/Organization-Profile/?Id=70))

Kent State's Trumbull campus offers programs in electrical engineering as well as mechanical engineering technology.

Kent State University At Tuscarawas ([Http://www.ohiomfg.com/Organization-Profile/?Id=71](http://www.ohiomfg.com/Organization-Profile/?Id=71))

Kent State's Tuscarawas campus offers programs in electrical engineering as well as mechanical engineering technology.

Knox County Career Center ([Http://www.ohiomfg.com/Organization-Profile/?Id=73](http://www.ohiomfg.com/Organization-Profile/?Id=73))

Knox County Career Center offers manufacturing-related training through its "Skills Trades Aptitudes Readiness Training Program" (START). Metal fabrication and welding, as well as CNC, are included among the specializations offered in this program.

Lakeland Community College ([Http://www.ohiomfg.com/Organization-Profile/?Id=76](http://www.ohiomfg.com/Organization-Profile/?Id=76))

Lakeland Community College offers a variety of manufacturing-focused program degrees and certificates. Areas of study and training include computer integrated manufacturing, manufacturing maintenance and repair, electrical engineering technology, mechanical engineering technology, tool and die technology, and industrial welding.

Lake County Workforce Development Board ([Http://www.ohiomfg.com/Organization-Profile/?Id=75](http://www.ohiomfg.com/Organization-Profile/?Id=75))

The Lake County Workforce Development Board is a business-led policy and oversight board for workforce development programs and services in Lake County. The Board convenes stakeholders, collects and analyzes labor market information, aligns workforce resources, and ensures workforce programs and...

Lorain County Manufacturing Council ([Http://Www.ohiomfg.com/Organization-Profile/?Id=81](http://www.ohiomfg.com/Organization-Profile/?Id=81))

A non-profit organization working in partnership with a number of local organizations, the Manufacturing Council is an industry-driven resource committed to retaining and growing manufacturing in Lorain County. The Council provides its members a platform for peer-to-peer collaboration as well...

Lorain County Joint Vocational School ([Http://Www.ohiomfg.com/Organization-Profile/?Id=80](http://www.ohiomfg.com/Organization-Profile/?Id=80))

Lorain County Joint Vocational School offers programs a number of 2-year career technical programs to its students. These include industrial equipment mechanics, precision machine tooling, and welding and fabrication. Additionally, the Lorain County Joint Vocational School Adult Career Center offers...

Lorain County Growth Partnership ([Http://Www.ohiomfg.com/Organization-Profile/?Id=79](http://www.ohiomfg.com/Organization-Profile/?Id=79))

The Lorain County Growth Partnership (LCGP), developed by the Lorain County Board of Commissioners, works with Lorain County organizations and businesses to compete more effectively in a regional marketplace. Currently, over 35 companies, public institutions, and local governments are LCGP...

Lake And Geauga County Public School District ([Http://Www.ohiomfg.com/Organization-Profile/?Id=74](http://www.ohiomfg.com/Organization-Profile/?Id=74))

Lake and Geauga County Public School Districts have built partnerships with regional manufacturers, developing programming for internships, job shadowing, and speakers' series. The school districts have worked to ensure that students of all ages are ready for the future, exposing...

Lightweight Innovations For Tomorrow (LIFT) ([Http://Www.ohiomfg.com/Organization-Profile/?Id=77](http://www.ohiomfg.com/Organization-Profile/?Id=77))

LIFT is an industry-led, government-funded consortium focused on sustainable improvement in the manufacturing industry. Through its "Education and Workforce Development" plan, LIFT promotes, supports, and funds the development of an educated, skilled and ready workforce that is competent and confident...

Lorain County Community College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=78](http://www.ohiomfg.com/Organization-Profile/?Id=78))

Lorain County Community College offers programs in electronic engineering, industrial safety, manufacturing engineering, mechatronics, and welding. Additionally, the college is actively involved with the manufacturing community in the county, supporting apprenticeship programs and working hard to change the perception of...

Lorain County Workforce Development Agency
([Http://Www.ohiomfg.com/Organization-Profile/?Id=82](http://www.ohiomfg.com/Organization-Profile/?Id=82))

The Lorain County Workforce Development Agency provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the world of work. The Agency provides oversight to the operation of Lorain...

Lucas County Workforce Development Board
([Http://Www.ohiomfg.com/Organization-Profile/?Id=83](http://www.ohiomfg.com/Organization-Profile/?Id=83))

The mission of the Lucas County Workforce Development Board is to provide leadership and oversight to the workforce development system within Lucas County. Through strategic partnerships with business, government, economic developers, educators, and service organizations, it seeks to increase the...

Madison Adult Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=84](http://www.ohiomfg.com/Organization-Profile/?Id=84))

Madison Adult Career Center offers career development programs in precision machining and CNC technology as well as welding and fabrication.

MAGNET ([Http://Www.ohiomfg.com/Organization-Profile/?Id=85](http://www.ohiomfg.com/Organization-Profile/?Id=85))

As a member of the Manufacturing Extension Partnership, MAGNET, the Manufacturing Advocacy and Growth Network, is dedicated to helping manufacturers grow and compete in Northeast Ohio. MAGNET provides consulting services tailored to small and mid-size manufacturers, ranging from product development,...

Mahoning County Career And Technical Center
([Http://Www.ohiomfg.com/Organization-Profile/?Id=86](http://www.ohiomfg.com/Organization-Profile/?Id=86))

Mahoning County Career and Technical Center offers numerous opportunities for advancement towards a manufacturing career. The center's high school programs include engineering, advanced manufacturing technology, and welding. Each program develops a unique skill set and gives students the opportunity to...

Maplewood Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=88](http://www.ohiomfg.com/Organization-Profile/?Id=88))

Maplewood Career Center offers manufacturing-focused adult education and high school programs. The adult education offerings include welding technologies, CNC machining, and industrial maintenance. High school programs include applied engineering and machining, robotics and computer technology, and welding.

Marion Technical College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=89](http://www.ohiomfg.com/Organization-Profile/?Id=89))

Marion Technical College provides training and services to both students and businesses in the region. The college offers both electrical and mechanical engineering, as well as robotics and automation degrees. As a USO Talent Development Network Center, Marion Technical College's...

Medina County Economic Development Corporation
([Http://www.ohiomfg.com/organization-profile/?id=251](http://www.ohiomfg.com/organization-profile/?id=251))

The Medina County Economic Development Corporation (MCEDC) is a non-profit organization with diverse membership focused on positively impacting the economic vitality of the county and region. MCEDC works to connect local business with workforce development and training needs through regional...

Medina County Manufacturers Partnership ([Http://www.ohiomfg.com/organization-profile/?id=252](http://www.ohiomfg.com/organization-profile/?id=252))

The Medina County Manufacturers Partnership is a consortium of small and midsize regional manufacturers focused on closing the workforce skills gap and enhancing competitiveness. The Partnership has developed an Advanced Manufacturing Apprenticeship program in partnership with local community colleges.

Marysville Early College High School ([Http://www.ohiomfg.com/organization-profile/?id=90](http://www.ohiomfg.com/organization-profile/?id=90))

Marysville Early College High School was created through a partnership with Columbus State Community College, Honda, Ohio Hi Point Career Center, and the Union County Chamber of Commerce. The school provides students with STEM-focused curriculum focuses on real-world experiences. An...

Miami University ([Http://www.ohiomfg.com/organization-profile/?id=91](http://www.ohiomfg.com/organization-profile/?id=91))

Miami University offers degree programs multiple subjects that can lead directly to a career in manufacturing. These include engineering technology, mechanical engineering technology, and electrical and computer engineering.

Mid-East Career And Technology Center ([Http://www.ohiomfg.com/organization-profile/?id=93](http://www.ohiomfg.com/organization-profile/?id=93))

Mid-East Career and Technology Center offers manufacturing-focused programs to high school students, including precision machining and manufacturing, robotics, automation and design, as well as welding technology.

Miami Valley Career Technology Center ([Http://www.ohiomfg.com/organization-profile/?id=92](http://www.ohiomfg.com/organization-profile/?id=92))

Miami Valley Career Technology Center provides opportunities for both high school students and adults seeking a manufacturing career. The career center offers both precision machining and welding programs and has partnered with RAMTEC to offer an array of robotics-focused certificates...

Mahoning Valley Manufacturers Coalition ([Http://Www.ohiomfg.com/Organization-Profile/?Id=87](http://www.ohiomfg.com/Organization-Profile/?Id=87))

An industry-led coalition, MVMC's purpose is to identify common challenges and opportunities for manufacturers, and collectively champion solutions to address the priority needs of the industry. MVMC works to convene, educate, and mobilize key stakeholders in the region to promote...

North Central State College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=94](http://www.ohiomfg.com/Organization-Profile/?Id=94))

North Central State College offers a number of manufacturing-focused degree and certificate programs. Degrees include mechanical engineering technology, integrated engineering technology, and manufacturing technology operations management. Certificate programs include CNC operations and programming, industrial design, and manufacturing tool and die.

North Central Workforce Alliance ([Http://Www.ohiomfg.com/Organization-Profile/?Id=95](http://www.ohiomfg.com/Organization-Profile/?Id=95))

Ohio Small Business Development Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=106](http://www.ohiomfg.com/Organization-Profile/?Id=106))

The Ohio Small Business Development Centers Network is a technical assistance program for Ohio's small businesses. There are 28 Small Business Development Centers through the state that provide counseling, training, and technical assistance. These centers have specific manufacturing assistance programs that...

Ohio Technical College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=107](http://www.ohiomfg.com/Organization-Profile/?Id=107))

Ohio Technical College offers its students an automotive manufacturer training program as well as a master welding technology program.

Ohio Office Of Workforce Development ([Http://Www.ohiomfg.com/Organization-Profile/?Id=104](http://www.ohiomfg.com/Organization-Profile/?Id=104))

A part of the Ohio Department of Jobs and Family Services, the Office of Workforce Development provides information and tools to Ohio's workforce system. The office administers federal programs that create a comprehensive statewide workforce system of employment services; hiring...

Owens Community College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=197](http://www.ohiomfg.com/Organization-Profile/?Id=197))

Owens Community College offers a variety of manufacturing-focused degree and certificate programs. Degrees include applied engineering technology, electrical engineering technology, welding, and mechanical engineering. Certificate programs include a variety of welding skills and techniques, machining, industrial mechanic certificate, and a...

Portage County Manufacturers Coalition ([Http://Www.ohiomfg.com/Organization-Profile/?Id=204](http://www.ohiomfg.com/Organization-Profile/?Id=204))

The Portage County Manufacturer Coalition (PCMC) was formed by regional manufacturers to share ideas and resources to promote development of a skilled workforce; to identify the skills needed by current employees and the future workforce; to engage local educators-...

Partners For A Competitive Workforce ([Http://Www.ohiomfg.com/Organization-Profile/?Id=198](http://www.ohiomfg.com/Organization-Profile/?Id=198))

A partnership in the Ohio, Kentucky, and Indiana tri-state region focused on meeting employer demand by growing the skills of both the current and future workforce. PCW aims to coordinate all of the region's workforce efforts under a common umbrella...

Penta Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=199](http://www.ohiomfg.com/Organization-Profile/?Id=199))

Penta Career Center offers high school students the opportunity to develop skills in advanced manufacturing technologies, including machining, tool and die, CNC programming and operation, and robotics. The career center also has programs in computer-aided design and offers welding courses...

Pickaway Ross County Career And Technology Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=200](http://www.ohiomfg.com/Organization-Profile/?Id=200))

Pickaway Ross County Career and Technology Center offers high school programs in electrical technologies, machining, and manufacturing technologies, and precision welding technologies. The career and technology center also offers adult education opportunities in welding and industrial maintenance.

Pioneer Career & Technology JVSD ([Http://Www.ohiomfg.com/Organization-Profile/?Id=201](http://www.ohiomfg.com/Organization-Profile/?Id=201))

Pioneer Career and Technology Center offers a variety of manufacturing-related courses to both high school and adult students. High school programs include mechanical and electrical engineering, engineering design technology, industrial electricity and robotics, precision matching technologies, and welding. Adult education...

Portage Lakes Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=205](http://www.ohiomfg.com/Organization-Profile/?Id=205))

Portage Lakes Career Center offers manufacturing-related high school and adult education programs. High school programs include engineering technology, robotics and advanced manufacturing, and welding. A full-time welding program is available for adults. Additionally, the Portage Lakes Career Center supports internship...

Polaris Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=202](http://www.ohiomfg.com/Organization-Profile/?Id=202))

Polaris Career Center has distinct course offerings for middle school and high school students. Middle school students receive an early introduction to manufacturing-related careers through design and modeling as well as automation and robotics programs. High school students can engage...

PolymerOhio ([Http://Www.ohiomfg.com/Organization-Profile/?Id=203](http://www.ohiomfg.com/Organization-Profile/?Id=203))

PolymerOhio is a non-profit membership organization dedicated to connecting business with the latest technology trends, expertise, and resources. A Manufacturing Extension Partnership affiliate, PolymerOhio works with regional manufacturers to enhance product development and commercialization, and improve efficiency and effectiveness. PolymerOhio ...

Robotics And Manufacturing Technology Education Center (RAMTEC) ([Http://Www.ohiomfg.com/Organization-Profile/?Id=208](http://www.ohiomfg.com/Organization-Profile/?Id=208))

RAMTEC is a provider of robotics and advanced manufacturing certifications, partnering with community colleges and career and technical centers to deliver industry training and education. RAMTEC has also developed high school programs, focused on preparing the next generation of the...

REDI Cincinnati ([Http://Www.ohiomfg.com/Organization-Profile/?Id=206](http://www.ohiomfg.com/Organization-Profile/?Id=206))

The Regional Economic Development Initiative (REDI) is focused on creating jobs in the Greater Cincinnati region. REDI is the Southwest Ohio JobsOhio network partner, offering businesses access to expertise, funding, and resources to expand and locate in the Cincinnati region....

James A Rhodes State College ([Http://www.ohiomfg.com/Organization-Profile/?Id=64](http://www.ohiomfg.com/Organization-Profile/?Id=64))

Rhodes State offers an array of workforce development and training services to both industry and students. Through its Workforce Economic Development and Continuing Education (WEDGE) program, the school provides businesses customized training. As the facilitator of West Central Ohio Manufacturing ...

University Of Rio Grande ([Http://www.ohiomfg.com/Organization-Profile/?Id=232](http://www.ohiomfg.com/Organization-Profile/?Id=232))

The University of Rio Grande offers multiple degree programs related to the manufacturing industry. These degree programs include industrial automation and maintenance, industry technology, and welding technology.

Regional Manufacturers Coalition ([Http://www.ohiomfg.com/Organization-Profile/?Id=207](http://www.ohiomfg.com/Organization-Profile/?Id=207))

The Regional Manufacturers Coalition (RMC) is a membership organization in North Central Ohio. RMC's mission is to help manufacturers prosper through education and networking. RMC provides its members with a networking platform, a united voice for advocacy, and industry-driven employee...

Sandusky Career Center ([Http://www.ohiomfg.com/Organization-Profile/?Id=209](http://www.ohiomfg.com/Organization-Profile/?Id=209))

The Sandusky Career Center offers programs in trade and industry facilities maintenance including multiple skill-levels of welding technology.

Springfield-Clark Career Technology Center ([Http://www.ohiomfg.com/Organization-Profile/?Id=216](http://www.ohiomfg.com/Organization-Profile/?Id=216))

Springfield-Clark Career Technology Center offers manufacturing-related programs in computer-aided drafting and design, engineering, and welding and fabrication.

Sandusky County Economic Development Corporation ([Http://www.ohiomfg.com/Organization-Profile/?Id=210](http://www.ohiomfg.com/Organization-Profile/?Id=210))

The Sandusky County Economic Development Corporation delivers a range of services for workforce development in the region. The organization provides labor market information and facilitates forums for various industries to engage job seekers. Through its THINK manufacturing initiative, the economic...

Scioto County Career Technical Center ([Http://twww.ohiomfg.com/Organization-Profile/?Id=211](http://twww.ohiomfg.com/Organization-Profile/?Id=211))

Scioto County Career Technical Center offers full-time programs in industrial maintenance and welding technology.

Shawnee State University ([Http://twww.ohiomfg.com/Organization-Profile/?Id=212](http://twww.ohiomfg.com/Organization-Profile/?Id=212))

Shawnee State University offers its students a number of degrees that can lead towards a career in manufacturing. These degrees include electromechanical engineering, plastics engineering, and a manufacturing track within its computer-aided drafting and design program.

Sinclair Community College ([Http://twww.ohiomfg.com/Organization-Profile/?Id=213](http://twww.ohiomfg.com/Organization-Profile/?Id=213))

Sinclair Community College offers a variety of science, math, and engineering degrees that prepare students for a career in manufacturing. These programs include automation and control technology, computer-aided manufacturing, electronics engineering, and mechanical engineering. Sinclair also offers numerous manufacturing-related certificate...

Cuyahoga County Department Of Development ([Http://twww.ohiomfg.com/Organization-Profile/?Id=53](http://twww.ohiomfg.com/Organization-Profile/?Id=53))

The Cuyahoga County Department of Development has launched the SkillUp Program. SkillUp is an innovative service that creates customized training plans so employers can train workers for their skilled jobs. SkillUp acts as a broker to help the employer identify...

Summit And Medina Workforce Development Board ([Http://twww.ohiomfg.com/Organization-Profile/?Id=219](http://twww.ohiomfg.com/Organization-Profile/?Id=219))

The Summit and Medina County Workforce Development Board provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the world of work. The Board provides oversight to the operation...

Southern State Community College ([Http://twww.ohiomfg.com/Organization-Profile/?Id=214](http://twww.ohiomfg.com/Organization-Profile/?Id=214))

Southern State Community College offers an engineering pathway with computer-aided design, electrical technology, and electro-mechanical engineering specializations. Southern State has also partnered with Tooling U to provide manufacturing training in the following areas: manufacturing awareness, stamping, forming and fabricating, maintenance,...

Stark State College ([Http://twww.ohiomfg.com/Organization-Profile/?Id=218](http://twww.ohiomfg.com/Organization-Profile/?Id=218))

Stark State College offers a number of degrees and certificates that prepare its students for a career in manufacturing. Degrees include electrical engineering technology, mechanical engineering technology, automation and robotics technology, and industrial technology. Certificate programs include automation and robotics,...

Stark And Tuscarawas Workforce Development Board
([Http://Www.ohiomfg.com/Organization-Profile/?Id=217](http://www.ohiomfg.com/Organization-Profile/?Id=217))

The Stark and Tuscarawas Counties Workforce Development Board provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the world of work. The Board provides oversight to the operation...

Southwest Ohio Regional Workforce Investment Board
([Http://www.ohiomfg.com/Organization-Profile/?Id=215](http://www.ohiomfg.com/Organization-Profile/?Id=215))

The Southwest Ohio Regional Workforce Investment Board implements the Workforce Innovation and Opportunity Act in the City of Cincinnati and Hamilton County. The board is responsible for developing strategies to engage employers, employees, government, education, organized labor and community-based organizations in a...

TechSolve ([Http://www.ohiomfg.com/Organization-Profile/?Id=220](http://www.ohiomfg.com/Organization-Profile/?Id=220))

A member of the Manufacturing Extension Partnership network, TechSolve has a number of services committed to assisting and improving the manufacturing industry in Ohio. TechSolve provides manufacturing-specific consulting services, training programs, as well as educational workshops and seminars.

Terra State Community College ([Http://www.ohiomfg.com/Organization-Profile/?Id=221](http://www.ohiomfg.com/Organization-Profile/?Id=221))

Terra State Community College a number of degree and certificate programs that prepare students for a career in manufacturing. Degree programs include manufacturing technology, mechanical engineering, robotics-integrated manufacturing technology, and welding technology. Certificate programs include programmable logic controllers (PLC), computer-assisted...

Toledo Regional Chamber Of Commerce ([Http://www.ohiomfg.com/Organization-Profile/?Id=222](http://www.ohiomfg.com/Organization-Profile/?Id=222))

The Toledo Regional Chamber of Commerce works closely with its local educational and industry partners to build a pipeline of future employees. Its primary goal is to increase awareness of employment opportunities in the region. Recently, the Chamber launched its...

Towards Employment ([Http://www.ohiomfg.com/Organization-Profile/?Id=223](http://www.ohiomfg.com/Organization-Profile/?Id=223))

Towards Employment works with a population that faces a range of challenges in gaining and retaining employment in the Northeast Ohio region. More than 300 employers rely on Towards Employment as a reliable source of talent. Towards Employment provides one-on-one...

Cuyahoga Community College (Tri-C) ([Http://twww.ohiomfg.com/Organization-Profile/?Id=52](http://twww.ohiomfg.com/Organization-Profile/?Id=52))

Cuyahoga Community College's Manufacturing Training programs range from 32-hour workshops to 500-hour in-depth courses that lead to industry-recognized credentials, certifications, and apprenticeships. The college offers expertise in a wide range of manufacturing fields, including industrial welding, precision machine tooling, manufacturing ...

Tri-County Career Center (<Http://Www.ohiomfg.com/Organization-Profile/?Id=224>)

The Tri-County Career Center offers adult education programs in manufacturing-related fields. These programs include industrial welding technology and industrial maintenance. The career center also works with local businesses to develop customized training programs for employees.

Tri-Rivers Career Center (<Http://Www.ohiomfg.com/Organization-Profile/?Id=225>)

The Tri-Rivers Career Center offers both high school and adult education programs in manufacturing-related fields through RAMTEC. High school programs include advanced machining, engineering technologies, and welding. Adult education programs include industrial maintenance and welding. Tri-Rivers also provides workforce development...

Trumbull Career & Tech Center (<Http://twww.ohiomfg.com/Organization-Profile/?Id=226>)

Trumbull Career & Tech Center offers both engineering technology and welding and cutting programs to high school students. Additionally, the career and tech center offers adult education opportunities in computer-assisted design, programmable logic controllers, and machining.

Tuscarawas County Chamber Of Commerce ([Http:// tw ww.ohiomfg.com/Organization-Pro file/?Id=227](Http://tw ww.ohiomfg.com/Organization-Pro file/?Id=227))

The Tuscarawas County Chamber of Commerce facilitates a manufacturing roundtable to provide the opportunity to discuss common issues and attend plant tours and informational programs. The Chamber is working with area business and education leaders to develop an internship program....

University Of Akron Main Campus (<Http://twww.ohiomfg.com/Organization-Profile/?Id=229>)

The University of Akron prepares its students for manufacturing careers through both electronic engineering technology and mechanical engineering technology degree programs.

**Union County Community Improvement Corporation
([Http://twww.ohiomfg.com/Organization-Profile/?Id=228](http://twww.ohiomfg.com/Organization-Profile/?Id=228))**

The Union County Community Improvement Corporation is the lead economic development organization in the central Ohio region. The improvement corporation partners with various training and educational organizations to advance workforce development. Its Mobile Manufacturing Training Lab Program establishes and expands...

University Of Cincinnati ([Http://Www.ohiomfg.com/Organization-Profile/?Id=230](http://Www.ohiomfg.com/Organization-Profile/?Id=230))

The University of Cincinnati offers its students a number of degree programs that can lead to careers in the manufacturing industry. These degree programs include manufacturing engineering technology, mechanical engineering, electrical engineering technology, robotics and automation, industrial engineering technology, and...

University Of Dayton ([Http://twww.ohiomfg.com/Organization-Profile/?Id=231](http://twww.ohiomfg.com/Organization-Profile/?Id=231))

The University of Dayton offers its students a number of degree programs that can lead to careers in the manufacturing industry. These degree programs include electronic and computer engineering technology, engineering mechanics, global manufacturing systems engineering technology, industrial engineering technology,...

Upper Valley Career Center ([Http://twww.ohiomfg.com/Organization-Profile/?Id=233](http://twww.ohiomfg.com/Organization-Profile/?Id=233))

Upper Valley Career Center offers programs in manufacturing-related fields to both high school students and adults. High school programs include electronics, manufacturing and machining technologies, welding, and engineering technologies. Adult education career and technical programs include precision tooling and machining,...

Vantage Career Center ([Http://twww.ohiomfg.com/Organization-Profile/?Id=234](http://twww.ohiomfg.com/Organization-Profile/?Id=234))

The Vantage Career Center offers both high school and adult education programs in manufacturing-related fields. High school programs include industrial mechanics, precision machining, and welding. Adult education programs include welding and programmable logic controller training.

Warren County Career Center ([Http://twww.ohiomfg.com/Organization-Profile/?Id=235](http://twww.ohiomfg.com/Organization-Profile/?Id=235))

The Warren County Career Center offers both high school and adult education programs in manufacturing-related fields. High school programs include advanced technologies and robotics as well as welding and fabrication. Adult education programs include welding, electromechanical programmable logic controller, and...

Washington County Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=236](http://www.ohiomfg.com/Organization-Profile/?Id=236))

The Washington County Career Center offers both adult education and high school programs in manufacturing-related fields. Through its Adult Technical Training, the career center offers industrial programs for maintenance mechanics, millwrights, and welders. High school programs include electrical engineering and...

Washington State Community College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=237](http://www.ohiomfg.com/Organization-Profile/?Id=237))

Washington State Community College offers its students a number of degree programs that can lead to careers in the manufacturing industry. The degree programs electrical engineering technology, mechanical engineering technology, industrial technology, and a product technician program. Washington State also...

Wayne County Schools Career Center ([Http://Www.ohiomfg.com/Organization-Profile/?Id=238](http://www.ohiomfg.com/Organization-Profile/?Id=238))

Wayne County Schools Career Center offers both high school and adult education programs in manufacturing-related fields. High school programs include engineering technologies, precision machining, and welding technologies. Adult education programs include industrial maintenance technology, precision machining technology, and welding technology....

West Central Ohio Manufacturing Consortium ([Http://Www.ohiomfg.com/Organization-Profile/?Id=239](http://www.ohiomfg.com/Organization-Profile/?Id=239))

The West Central Ohio Manufacturing Consortium (WCOMC) is a group of manufacturers dedicated to improving the manufacturing workforce in the West Central Ohio region. The group has worked closely with many local educational institutions to develop a Manufacturing Pathways Certification...

Butler, Clermont, And Warren Counties Workforce Investment Board ([Http://Www.ohiomfg.com/Organization-Profile/?Id=32](http://www.ohiomfg.com/Organization-Profile/?Id=32))

The Workforce Investment Board of Butler, Clermont, and Warren Counties provides access to services that are targeted to meet the workforce-related needs of area employers, job-seekers, and youth preparing to enter the world of work. The Board provides oversight to...

Wilberforce University ([Http://Www.ohiomfg.com/Organization-Profile/?Id=240](http://www.ohiomfg.com/Organization-Profile/?Id=240))

Wilberforce University offers an electrical engineering program for those students that are interested in pursuing a career in the manufacturing industry.

WIRE-Net ([Http://Www.ohiomfg.com/Organization-Profile/?Id=241](http://www.ohiomfg.com/Organization-Profile/?Id=241))

A non-profit economic development organization dedicated to improving the community through a commitment to sustainable growth in the manufacturing industry. WIRE-Net provides a range of services to manufacturing companies, including consulting, outreach and marketing, and supply chain information. WIRE-Net has...

WorkDev Knox County Resources ([Http://www.ohiomfg.com/Organization-Profile/?Id=242](http://www.ohiomfg.com/Organization-Profile/?Id=242))

WorkDev Knox County is a collaboration of regional partners that help businesses and job seekers connect and advance their skills and knowledge. The group's main focus includes training opportunities, a discussion network for human resources professionals, and exposure to local...

Wright State University ([Http://www.ohiomfg.com/Organization-Profile/?Id=243](http://www.ohiomfg.com/Organization-Profile/?Id=243))

Wright State University offers multiple degree programs related to potential careers in manufacturing. These degree programs include electrical and computer engineering technology, electrical engineering, industrial and systems engineering, and mechanical engineering.

Youngstown State University ([Http://www.ohiomfg.com/Organization-Profile/?Id=244](http://www.ohiomfg.com/Organization-Profile/?Id=244))

Youngstown State University offers multiple degree programs related to potential careers in manufacturing. These degree programs include electrical engineering technology, mechanical engineering technology, industrial systems engineering, and manufacturing engineering.

Zane State College ([Http://Www.ohiomfg.com/Organization-Profile/?Id=245](http://www.ohiomfg.com/Organization-Profile/?Id=245))

Zane State College offers a variety of manufacturing-related degree and certificate opportunities to high school, college, and adult education students. These degree programs include electronics engineering technology, robotics, industrial systems engineering technology, mechanical engineering technology, and welding and fabrication. Certificate...
