

We are currently recruiting for upcoming Industrial Automation courses. These courses lead to high-wage jobs in the local area. For your convenience, I've pasted some of the course details from our online schedule to consider for Summer 2017 (June 19-July 27). You will see more **industrial automation** courses offered during Fall 2017 (August 2017-December 2017). I recommend you review the 2017-2018 class schedules here:

<http://www.norcocollege.edu/academics/Pages/schedules.aspx> **Let us know if you have any issues getting started.**

Our Summer term courses will start on June 19. The dates/times are listed below:
