Winter Term

Winter at Norco College takes place from 1/2/18 through 2/8/18. Most courses during this 6-week term are condensed. The list above includes ELE (Electrical), ENE (Engineering), and MAN (Manufacturing) courses we will offer starting 1/2/2018. Feel free to share these courses with your managers and employees. Classes will fill up quickly. Students should register **soon** to secure their spot.

FACE-TO-FACE INFO SESSIONS

Information Sessions occur every Tuesday @ 3:30 pm on campus. We discuss the college application, financial aid, registration process, and class schedule. We recommend your employees [RSVP online](#) (or call directly) so we can send a campus map and parking instructions. RSVP by phone or e-mail.

Phone: **(951) 738-7782**
