Thank you for helping EMCC in the validation of our new hybrid courses. Please complete the following check-off for each hybrid course. Place a check mark beside the below statements that are true. Any comments and/or suggestions are appreciated.

Course Name: Mechanical Systems I

- The course has a clear description of what will be taught.
- The course has a target audience.
- The course outline clearly list objectives.
- The course objectives are realistic for a hybrid course.
- The course includes written assessments.
- The course includes hands-on skills assessments.
- The course outline includes a list of all instructional materials necessary to deliver training.
- The course includes answer keys for the assessments.
- The course is set up in a way that can be easily taught by other colleges.
- I would recommend this course to others.
- The objectives covered in this course are sufficient to gain general knowledge in the technical area.

Comments:

I have reviewed the hybrid course and agree that the course provides the correct objectives to gain knowledge in the specific technical area.
