C.A.S.E is a collaborative effort involving all 17 Oregon Community Colleges, the Oregon Employment Department/Trade Act, Oregon Department of Community Colleges and Workforce Development, Employers and Community Partners who believe that post-secondary credentials provide the gateway to careers/jobs with Family-supporting wages.

C.A.S.E. was designed to advance the Joint Boards of Education 40/40/20 goal which seeks to have 40% of Oregonians earn at least a Bachelor's Degree, 40% a post-high school certificate or credential and 20% have at least a high school diploma.
