We’ve Heard You Want Employees Who:

◊ Show up to work on time
◊ Have a strong work ethic
◊ Are team players
◊ Have good communication skills
◊ Are motivated and ready to go to work
◊ Have the ability to follow instructions

So What Is C.A.S.E.?

C.A.S.E. is a collaborative effort involving all 17 Oregon Community Colleges, the Oregon Employment Department/Trade Act, Oregon Department of Community Colleges and Workforce Development, Employers and Community Partners. C.A.S.E. was designed to advance the Joint Boards of Education 40/40/20 goal which seeks to have 40% of Oregonians earn at least a Bachelor’s Degree, 40% a post-high school certificate or credential and 20% have at least a high school diploma. C.A.S.E. expands and enhances the Oregon Career Pathways Initiative. 100% of the funding for C.A.S.E. is provided by the United States Department of Labor.

Developing the Skills You NEED in Employees:

◊ Computer competency
◊ Basic math skills
◊ Critical thinking skills
◊ Basic business writing
◊ Appropriate workplace behavior
◊ People skills
◊ Problem-solving skills

“It we can by any method establish a relation of mutual trust between the laborer and the employer, we shall lay the foundation stone of a structure that will endure for all time.”

Mark Hanna
The CASE Team Can Assist You!

We are a dedicated team of professionals ready to assist unemployed and underemployed adults in reaching their employment goals.

We believe that post-secondary credentials are an indispensible tool in creating the gateway to careers and jobs that pay family-supporting wages.

“Community colleges play an important role in helping people transition between careers by providing the retooling they need to take on a new career.”
— President Barack Obama

Toward that end, we provide CASE participants with skills and interest surveys, career planning, academic advising, job coaching, job shadowing, internship opportunities, interviewing skills, resume writing and more!

“Community colleges play an important role in helping people transition between careers by providing the retooling they need to take on a new career.”
