“I knew I had the skill to obtain a career in HR, but I just didn't know how to show that to potential employers. I was nervous for my interview, but I just thought back to the class ...and it went so well. I was offered the job within 20 minutes of leaving the interview and started a few days later!!”

“VERY pertinent to the mission... to provide education as a springboard to employment.”

“I feel confident to go out in the world and use what I learned.”
