

## *What Makes a 5 Star Candidate at Job Fairs?*

### *Research! Know about the companies there.*

*(Do your homework and learn about the company's products, opportunities mission statement and values)*

### *Personal appearance. Dress professionally.*

*(Your first impression is critical; you only get one chance)*

### *Preparation of a good summary of your skills.*

*(Know how your skills will benefit the company. Prepare a short summary of your best skills, and rehearse it so you can talk about yourself comfortably.)*

### *A good resume that targets your job interest.*

*(The best resume is the one that gets you an interview. This is usually the one that best presents how your experience, education and skills will benefit a specific employer.)*

### *Good "follow-up" skills.*

*(Follow-up skills include how you close your conversation. Don't be afraid to ask if the employer may have an opening in the future, or if they know someone else is hiring. Don't forget to thank them for their time.)*

This workforce solution was funded by a grant awarded by the US Department of Labor's Employment and Training Administration. The solution was created by the grantee and does not necessarily reflect the official position of the US Department of Labor. The Department of Labor makes no guarantees, warranties or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability or ownership.

Equal Employment Opportunity: CASE is a WIA Title I- financially assisted program and is therefore an equal opportunity employer/program which provides auxiliary aids and services upon request to individuals with disabilities by calling 711 or 800.648.3458 TTY.

US Department of Labor: The CASE grant project (\$18,679,289) is 100% funded through the US Department of Labor's Trade Adjustment Assistance Community College and Career Training program.
