Creating Powerful Resumes

Tuesday, October 22, RCH-116 (Red Cedar Hall), 11 am – 12 pm

Want a job? Resumes are an employer’s snapshot of who you are and what you can offer them. Employers want employees who are ready for the job and need to know within seconds if they have the right fit or not. With such a small window to showcase your skills, experience, and training, there is little room for failure but a world of possibilities. “Creating Powerful Resumes” covers how to navigate the gray areas of what is expected and required in creating a winning resume.
