Evaluation and Observations: After reviewing the learning material, please indicate your agreement with the following statements by placing an "x" in the applicable column where 5=excellent or strongly agree and 1=poor or strongly disagree.

1. Quality of Content – The Learning Material...	Strongly Agree	Agree	Neither Agree	Disagree	Strongly Disagree	N/A
...is clear and concise	X					
...provides a complete demonstration of the concept	X					
...demonstrates a core concept grounded in the discipline	X					
...is current and relevant	X					
...is supported by appropriate research	X					
...is self-contained (can be used without requiring an assignment or context)	X					
...provides accurate information	X					
...is flexible (can be used in several situations)	X					
...includes an adequate amount of material			X			
...has strong workplace relevance	X					
...integrates the concept well			X			
Overall , the quality of the content is very high		X				
	5	4.5	3.5	2.5	1.5	0
Enter a numerical value that summarizes your attitudes above.		X				
Strengths (Describe the outstanding features of the quality of the learning material) Pertinent and current nursing issues.						
Concerns (Describe any problems in terms of quality) Need to update materials. The book they are using now has a 3 rd edition.						
2. Potential Effectiveness as a Teaching Tool/This Learning Material...						
...identifies learning objectives	X					
...identifies prerequisite knowledge	X					
...reinforces concepts progressively	X					
...builds on prior concepts	X					
...demonstrates relationships between concepts	X					
...is easy to integrate into curriculum assignments						X
...is very efficient (could learn a lot in a short time)	X					
...can be used to measure student learning outcomes	X					
Overall , learning material is a very effective teaching tool	X					
	5	4.5	3.5	2.5	1.5	0
Enter a numerical value that summarizes your attitudes above.		X				
Strengths (Describe the outstanding features of the quality of the learning material) Outline of the course, curriculum map. Also, under the IMAGES tab appears to have the modules for the course. I am unable to open with my computer but feel this is where the assignments, exams and information for the weekly activities are located.						
Concerns (Describe any problems in terms of quality) Assignments not listed but mentioned. No power points however easy enough to create. Mentions tests but not given.						
3. Ease of Use – This Learning Material...						
...is easy to use	X					
...has very clear instructions	X					
...is engaging	X					
...is visually appealing	X					
...is interactive	X					
...is of high design quality	X					
...meets accessibility requirements if able to assess	X					
...if an app, can be used on multiple types of mobile devices and platforms						X

...if an app, runs effectively without the internet						
Overall , the usability of this learning material is very high						
	5	4.5	3.5	2.5	1.5	0
Please enter the numeric value that summarizes your attitudes above.		X				
Strengths: (Indicate the outstanding features of the usability of the learning material)						
Concerns: (List problems in terms of usability)						
	5	4.5	3.5	2.5	1.5	0
What is your overall numeric rating for this material? Review your 3 ratings above and determine your overall rating						
Optional Information: <p>1. Other comments to be included in the review: (If an app, respects privacy of user, meets PG rating standards, how frequently app is updated) The file contains biology information labled B9. Not sure why found in this course.</p>						
Comments to author only: (Any needed improvements or recommendations should be addressed here.)
