

Computer Technology

Earn a Certificate of Completion (CCL) in Information Technology Entrepreneurship Online!

Certificate exclusive to TAACCCT-NISGTC grant participants only

The Certificate of Completion (CCL) in Information Technology Entrepreneurship is designed to prepare students with the foundation to be an entrepreneur in a technology-based business. The courses focus on business planning, including opportunity analysis, research, marketing, financing, venture capital, resources, and technology needs.

Admission Criteria: Experience or course completion in information technology or permission of Department Chair, Program Director, or designee.
