

Computer Technology

Earn a Certificate of Completion (CCL) in Hardware and Networking Basics Online!

Certificate exclusive to TAACCCT-NISGTC grant participants only

The Certificate of Completion (CCL) in Hardware and Networking Basics is designed to prepare students with the skills necessary for entry-level positions in computer maintenance. Courses focus on training the student in computer setup, maintenance, and troubleshooting, as well as local area networks (LANs). Courses also prepare students for the CompTia A+ and Network+ Certification Exams.

Certificate of Completion in Hardware and Networking Basics
