While the program does not guarantee employment, it does provide eligible participants with skills and credentials in areas of demand.

Disclaimer: This workforce solution was funded by a grant awarded by the U. S. Department of Labor's Employment and Training Administration. The solution was created by the grantee and does not necessarily reflect the official position of the U. S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership.

Eligibility to participate in this program is contingent upon requirements as outlined in the grant. Although coursework provides education in the computer support specialist field, it does not guarantee employment. Rio Salado College is an accredited institution. Classes may have testing requirements, special block calendaring guidelines and require proof of legal residency.

Rio Salado College is an equal opportunity institution and provides education and employment opportunities without discrimination on the basis of race, color, religion, gender, age, national origin disability or veteran status.
