Key elements:

Cooperation: Student works cooperatively as a team member in group settings. Student works productively with individuals of both genders, all ages, different cultural backgrounds, and those with special needs.

Shared Responsibility: Student identifies different roles within teams, coordinates tasks with team members, and shares responsibility for decision-making and goal-setting within a group.

Conflict Management: Student recognizes the effects of individual difference on interactions among team members and demonstrates skill at resolving conflicts by building consensus and negotiating solutions.
