

# Mechatronics Training Program

CCAC West Hills Center

**Job opportunities are  
available in these  
industries:**

**Manufacturing**

**Packaging**

**Automation**

**Energy Generation &  
Power Distribution**

**Health Care**

**Government & Education**

## Make Your Next Employee a CCAC Graduate

CCAC's Mechatronics training program features flexible class scheduling and adaptable design to meet current workforce needs. Our customizable course packages offer basic to advanced training in:

- Hydraulic/pneumatic systems
- Mechanical drive systems
- Electrical systems
- Motor & drive control systems
- Programmable logic controllers
- Robotics & motion control
- Process control
- Flexible manufacturing

The program's relevant content emphasizes real-world proficiency, adheres to industry standards and is endorsed by the National Association of Manufacturers:

- Certified Production Technician (140 hours)
- Advanced Manufacturing/Integrated Systems (AM/IST)
  - Level One (total program = 360 hours)
  - Level Two (total program = 355 hours)
  - Level Three (total program = 375 hours)

CCAC's Mechatronics training program provides versatile application to cross-industry sectors such as:

- Energy—Natural Gas, Power Generation and Renewable/Alternative
- Manufacturing—Production, Processing and Maintenance
- Supply Chain—Automated Warehousing, Logistics and Distribution

**CCAC**<sup>®</sup>

**The first choice for faster results.**

## Join the Team

CCAC is actively seeking employer partners for the Mechatronics training program. Employer partner benefits include:

- Providing internships and job opportunities
- Guest speaker opportunities
- Hosting tours of your facility
- Sharing hiring criteria
- Participating in career preparation activities, such as mock interviews, job shadowing and mentoring
- Becoming an Advisory Board Member to steer curricula and course delivery

## Location

CCAC will offer all Mechatronics program training at its West Hills Center, featuring state-of-the-art equipment and a convenient location with free parking.

## Community College of Allegheny County

### West Hills Center
