

NEMCC DIVISION OF WORKFORCE TRAINING AND ECONOMIC DEVELOPMENT

Northeast MS Community College provides resources to create wealth, jobs and viable communities that are diverse and sustainable.

The NEMCC Division of Workforce Training and Economic Development provides workforce training and career and technical education to the people of Mississippi, thereby ensuring they have the 21st century skills needed to get jobs, retain jobs, advance in those jobs, and have an improved quality of life;

We also provide current and prospective employers of Mississippi a documented trained and educated workforce, enabling our state to retain and grow existing businesses and industries and attract new ones.

CAREER PATHWAY CERTIFICATION

NEMCC offers three Career Certifications through the Gulf States Career Pathway Program (GSCPP). The **FREE** classes follow a new, accelerated model which integrates basic skills instructions with technical training allowing students to complete certification in as little as six months to one year depending on each student's time availability and learning skills. The program offers skills training and employment opportunities in multiple sectors sharing a common Information Technology (IT) foundation. The coursework content is driven by industry and employers and will allow you to enter the workforce earlier with your new skill set.

INDUSTRIAL MAINTENANCE

The Industrial Maintenance IT certificate provides a solid foundation for the IT maintenance occupation and a solid foundation for students planning to enter the parallel Associate Degree program at NEMCC.

MEDICAL BUSINESS PRACTICE ASSISTING

The Medical Office Assisting IT certificate is designed for a student who wants to work in an entry-level position in a medical or business office as well as a foundation for the parallel Associate Degree program.

MICROCOMPUTER/INFORMATION SYSTEMS

The IT Microcomputer/Information Systems certificate provides a solid foundation the Computing, Programing, and Security Technology occupation as well as a foundation for an Associate Degree at NEMCC.

ADDITIONAL CERTIFICATIONS

Completion of the certificate occurs when the student passes the final exam for each of the required classes. The GSPP also prepares each student to attempt additional industry certifications which correspond to a specific class offering: Career Readiness Certification, IC3 Certification, Microsoft Office Word Certification, Workforce Career Certification, A+, Network+, and Security+ Certifications. The testing fees for the certifications vary and scholarships are available for those who qualify.
