TOURO UNIVERSITY WORLDWIDE

AND

DEL MAR COLLEGE

Access to Higher Education

This agreement is entered into between Touro University Worldwide, or hereinafter T UW, which is accredited by the Western Association of Schools and Colleges, Accrediting Commission of Senior Colleges (WASC) and DEL MAR COLLEGE which is accredited by The Commission on Colleges of the Southern Association of Colleges and Schools (CCSACS).

INTRODUCTION

This MOU establishes an articulation agreement between T UW and DEL MAR COLLEGE under which DEL MAR COLLEGE students and eligible graduates will transfer into T UW Programs as qualified. Graduates may transfer to any undergraduate programs of selection at T UW. In addition, DEL MAR COLLEGE will refer students to T UW to pursue a bachelor's degree.

TERMS

1. This agreement shall be for a term of one year from the date of the agreement. Unless terminated by either party prior to the end of the first term, the agreement shall automatically renew each year term.
2. Either party may terminate this agreement with written notice to the other party. Such notice shall be given at least 90 days prior to the effective date of termination. In case of termination, students who have transferred from DEL MAR COLLEGE to T UW prior to the termination date shall be afforded all rights referred to in this agreement for a period of two years after the termination date.
3. Students taking courses at T UW will pay the prevailing tuition at the institution at that time. Currently, undergraduate course's tuition for DEL MAR COLLEGE transfer students is \$250 per semester credit.

TRANSFER OF STUDENTS/CREDITS TO TUW

1. TUW will accept transfer of credits towards the degree completion in any of our undergraduate program based on the articulation agreement. Each student's transcript will be individually evaluated for the amount of transfer of credits.
2. Following completion of an undergraduate degree, TUW will encourage eligible candidates to continue towards other Masters programs.
3. Students who have completed lower division courses at an accredited College or University will be able to transfer up to 90 credits towards the Bachelors degree offered by TUW, with a minimum GPA of 2.0 or higher. For the masters degree students will need 2.5 GPA or higher.
4. DEL MAR COLLEGE students/graduates who transfer to TUW will be individually assessed and advised by TUW advisors to determine the optimum degree plan for the remaining courses needed to achieve the selected TUW Bachelor's degree. An individual degree plan will be established at that time.

PROMOTION

DEL MAR COLLEGE agrees to inform its incoming applicants, students, recent alumni and faculty of the terms and opportunities of this articulation agreement by posting information on its web site and/or publishing information in its newsletters and catalog.
