### Overview

Students gain skills and knowledge in computer applications, medical terminology, and medical office procedures. A Medical Receptionist Certificate is the first step to a career in healthcare. Students are encouraged to build on the Medical Receptionist Certificate and obtain a certificate in Medical Office Administration or Medical Coding and Billing and eventually an Associate's degree at the College.

### Career Outlook

Students are prepared for an entry-level position as a receptionist in a medical environment.

### Program Outcomes

Upon successful completion of the Medical Receptionist Certificate, students are able to:

- Demonstrate desirable work habits including verbal/written communication skills, technological competence, critical thinking, problem solving, self-reliance, cooperativeness, and adaptability.
- Analyze ethical issues and apply ethical standards in the performance of responsibilities in the healthcare environment.
- Assume an entry-level position as a receptionist in a healthcare facility.
