## Home Care Aide Training Program Registration is now OPEN!

Looking for a career in the Healthcare field? Our new Home Care Aide Training Program prepares students to assist elderly and/or disabled persons with daily living activities in private homes, institutions and facilities. Students also benefit from additional support in the classroom with Basic Education Skills, improving English proficiency and preparing to take the GED exams. We have a free computer lab staffed with trained tutors and an advisor to assist in job placement and career guidance.

This training will put you in the job market in 5 short weeks! And this is a growing field with lots of opportunities.

If you are interested, please call (702) 651-4031 for registration information. Call soon as the classes are kept small to create a quality learning environment.

# HOME CARE TRAINING

## Personal and In-Home Care Aide Program

**Personal and In-Home Care Aide Program will prepare students to work as home care aides to assist elderly and/or disabled adults with daily living activities at a person's home or in a daytime non-residential facility.**
