

East Central Community College Winston County Manufacturing Recovery Project

Competency-Based Assessments Evaluation - Action 3.2: ECCC will incorporate competency-based assessments into the programs established in Actions 1.4 and 2.1.

Related Deliverable - List of competency-based assessments.

1. ECCC has established NCCER Core, NCCER Electrical Level I, and NCCER Electrical Level II assessments as requirements to complete its Electrical Technology Career and Technical Education Program (Action 1.4). These assessments conform with assessments authorized by the Mississippi Community College Board.
2. ECCC has established the ACT WorkKeys assessment as the competency based exit-assessment for the replicated I-BEST remediation program. Participants must achieve a Silver level or higher Career Readiness Certificate to exit the program (Action 2.1) and enter into the Manufacturing Skills – Basic training program.
