

TRANSFER ARTICULATION AGREEMENT

Quinsigamond Community College

and

Fitchburg State University

Manufacturing Technology Associate in Science (MP)

to

Industrial Technology – Manufacturing Engineering Technology

Quinsigamond Community College and Fitchburg State University agree to enter into a transfer agreement for the following academic disciplines:

Manufacturing Technology Associate in Science (MP)
to
Industrial Technology (Manufacturing Engineering Technology Concentration)

Purpose

This agreement is set forth by Quinsigamond Community College and Fitchburg State University in an effort to delineate a transfer student's best options in course selection. This document signifies the ongoing commitment between these institutions of higher education to promote coordinated curricula of the highest quality. As such, it bears with it the commitment of our respective faculty, and administrative staff to strengthen these ties and address the needs of our students in a mutually beneficial manner.

Terms and Conditions of Transfer

- A. Students graduating from the Quinsigamond Community College Manufacturing Technology (MP) Associate Degree program, with a qualitative grade point average of 2.0 or greater, and upon completion of FSU's admissions requirements, are guaranteed acceptance.
- B. In addition, 64 credits of the completed QCC Manufacturing Technology (MP) degree will be accepted and applied to FSU's Industrial Technology - Manufacturing Engineering Technology degree program. All coursework from the sending program must be completed with grades of C or higher in order to transfer.
- C. Quinsigamond Students will be advised to complete the prescribed coursework, and electives, as listed in the attached program grid (Appendix A). Failure to follow these recommendations may affect guarantee of admission, and will result in additional coursework requirements and longer time to degree completion at Fitchburg State.
- D. Acknowledging that students may, and do transfer from a wide variety of majors, this agreement does not prohibit transfer to or from other programs of study at either institution. This agreement suggests optimal transfer routes from Quinsigamond Community College to Fitchburg State University.
- E. This transfer agreement does not supersede, or in any way alter, the statewide *MassTransfer* program currently in existence.

This agreement is effective September 1, 2012 and will remain in effect until September 1, 2015 with the provision that the terms specified herein will continue to apply to graduates who transfer from Quinsigamond Community College to Fitchburg State University, within one year of the expiration of this agreement. The faculty at both institutions agrees to meet annually to review the agreement and discuss modifications.
