

East Mississippi Community College Golden Triangle Modern Manufacturing Project

Detailed Evaluation Plan- Strategy 2: Enhance career pathway options for learners and workers.
Action 2.2 Develop new articulation agreements for CTE programs with other community colleges and universities.

Golden Triangle Modern Manufacturing

Related Deliverable- Articulation agreements with other community colleges

The following letter of articulation (next page) sets forth the articulation guidelines governing the Mississippi community college system coordinated by the Mississippi Community College Board. The state has established a Uniform Course Numbering System in all curricula to allow for seamless transferability between the community colleges.

The Uniform Course Numbering System applies to all credit Manufacturing Technology and Engineering Division career and technical education programs.

October 2, 2015

Mr. Joe Cook
East Mississippi Community College
Assistant Dean, Division of Manufacturing Technology and Engineering
P.O. Box 100
Mayhew, MS 39753

Greetings Mr. Cook:

The policy of the Mississippi Community College Board is that the Uniform Course Numbering System used in all curriculum for Mississippi Community Colleges will be articulated (transfer) from any Mississippi Community College to any other Mississippi Community College.

Manufacturing Technology & Engineering Division's AAS and Advanced Certificate programs Mechatronics, Electro-Mechanical, Industrial Maintenance, Electrical, Automation and Controls, Drafting and Design, Welding, Machining and Automotive courses will transfer to any Mississippi Community Colleges that have a similar program and uses the same Uniform Course Numbering System courses. If you need any further assistance, please contact me at (601) 432-6155 or via email at abryan@mccb.edu.

Educationally Yours,

A handwritten signature in blue ink that reads "Angela L. Bryan".
