

Medical Coding

Certificate

DIVISION OF HEALTH SCIENCES

Fall Semester Start; Evenings

This program is designed to prepare students in medical records coding in either an inpatient or outpatient setting. This program offers training in medical terminology; inpatient and outpatient medical office administrative practice; pathophysiology and pharmacology for medical coding; medical records management, ICD-CM, CPT-4 and HCPCS coding, coding regulatory issues, medical-legal and ethical issues, computer usage and medical data entry, and insurance and billing practices. It is appropriate for entry-level job candidates, and for those wishing to build on a current skill base in order to make a career change.

Upon successful completion, the Certificate in Medical Coding is awarded.

ADMISSIONS REQUIREMENTS

High School diploma or equivalent, or Associate Degree or higher
