WHEN IT'S HOT YOU CAN LEARN COOL NEW SKILLS

Summer is a great time to take a class in digital arts or new media or **PLUNGE INTO THE SIZZLING SUMMER INTENSIVES!**

Get a **FREE SWIM!** Pay for two courses and get the production workshop FREE (9 credits)!

MxCC's Center for New Media is offering a series of course packages providing training and certification in digital arts and new media.

Students can earn certification and nine credits in select areas by completing a series of three courses over a ten week period. Courses will include introductory skill development in digital arts or new media, a production specialization area, and a workshop course where skills are applied through the production of coordinated projects.

Students taking one of the designated three course packages will receive a special discount: Pay for two courses and get the productions workshop free. **That's nine credits for the price of six!** So climb up to the high dive and cannonball into an intensive.

A swimmer in a pool, viewed from below, creating a large splash of water. The swimmer is wearing dark swim trunks and is captured in the middle of a stroke, with their head and arms visible above the water surface. The water is a vibrant blue, and the splash is a mix of white and blue. The swimmer's legs are visible below the water surface, and they are wearing dark swim trunks. The overall scene is dynamic and energetic.

ABOUT US

This innovative, cutting-edge initiative at MxCC combines hands-on experience and training in state-of-the-art studios and creative facilities to teach students real skills needed in the high-growth field of new media. The center builds on our existing degree programs in broadcast-cinema, communication, graphic design, and multimedia to offer fun and challenging certificate programs in new media production, news and sports production, corporate media and web design.

This project was funded by a grant awarded under the Trade Adjustment Assistance Community College & Career Training (TAACCT) Grant, as implemented by the US Department of Labor's Employment & Training Administration. Adaptive equipment available upon request for persons with disabilities.
