	Yes/No/DNA	Comments
Course Number	Yes	
Course Title	Yes	
Course Description	Yes	
Pre-requisites	None	
Co Requisites	None	
Student learning outcomes and competencies are clearly identified	Yes	Outcomes align with EIF.
Required and recommended texts and other materials are clearly identified	Yes	EIF availability
Description of strategies for student success or available assistance	Yes	College standard
Description of how course prepares student for a certificate or degree	Yes	Preparation for the EIF exam
Description of how course/item is relevant or applicable to occupation or industry	Yes	
Description of assessments, evaluation, exams and grading process	Yes	
Evidence of industry input, review and approval process	Yes	Recommend adding where the EIF comes from and how it will assist in job placement.
Evidence of college review and approval process	No	
For items not directly related to a course, any evidence of quality control process	N/A	
The overall quality is a sufficient representation of college and industry standards	Yes	
		Course schedule is very detailed and guiding.
		Did not see the credit level of this course. Within MCCD there has been different value given to different modules of the EIF. It appears that Pima and Yavapai are aligned.
