Evidence of college review and approval process	Yes	
---	-----	--

For items not directly related to a course, any evidence of quality control process	N/A	
---	-----	--

The overall quality is a sufficient representation of college and industry standards	No	This was the course outline only
--	----	----------------------------------

In the instance that one school is using a general MCCCD outline, it would be helpful to customize with knowing who's version of the MCCCD Curriculum is being delivered by including your individual school.

Not sure if this course is part of becoming an IT representative within a Power Company or if it is to give IT skills to a Power Company Technician. This is a good course for someone becoming an IT rep, it is too much as a general technician.
