|  | Yes/No/DNA | Comments   |
|--|------------|--|
| Course Number  | Yes        |  |
| Course Title   | Yes        | The credit load of the class is in alignment with EIF.                           |
| Course Description   | Yes        |  |
| Pre-requisites   | Yes        |  |
| Co Requisites  | None       |  |
| Student learning outcomes and competencies are clearly identified                    | Yes        | The preparation of this class would make the developers of the EIF very pleased. |
| Required and recommended texts and other materials are clearly identified            | Yes        | Ultimate goal is to gain the EIF certificate of completion                       |
| Description of strategies for student success or available assistance                | Yes        |  |
| Description of how course prepares student for a certificate or degree               | Yes        |  |
| Description of how course/item is relevant or applicable to occupation or industry   | Yes        |  |
| Description of assessments, evaluation, exams and grading process                    | Yes        |  |
| Evidence of industry input, review and approval process                              | Yes        | The welcome note spells out that the curriculum comes from CEWD.                 |
| Evidence of college review and approval process                                      | No         |  |
| For items not directly related to a course, any evidence of quality control process  | N/A        |  |
| The overall quality is a sufficient representation of college and industry standards | No         |  |

|             |  |
|-------------|--|
| Other notes | This class not only properly represented the EIF, it was extremely well outlined to assist the student's needs. Well done. |
