Rodgers is working on the requisition process live radio broadcast for Magic 107.5 FM.</p>
<p>Friday, February 27, 2015 Activity: Social Media Broadcast</p>	<p>Mrs. Rodgers will do a social media blast about National Engineer Week at Atlanta Technical College.</p> <p>Committee should send any Engineering fun facts to Mrs. T. Rodgers by C.o.B. Tuesday, February 17, 2015. Dr. Garrett has sent 5 Engineering relate fun facts to be used for the social media blast.</p>
<p>Lunch for Students</p>	<p>Option 1: Dean Coquerle has asked her chefs to discuss their schedule capacity and available budget to provide a light lunch.</p> <p>Option 2: Per, Elizabeth King, Director of ATC Foundation suggested that we talk to store managers at Publix and Jason's Deli on Camp Creek, and Papa John's pizza to see if they can</p>

TAACCT GRANT FEBRUARY 23-27, 2015 ENGINEERING WEEK

	<p>provide food donations. If food donations are received, ATC can provide the proper 501C3 documentation.</p> <p>Option 3: Dr. Afuwape suggested that students may be able to bring their lunch.</p> <p>The Dining Hall has been reserved for Wednesday, February 25th from 10:00 – noon to provide a central location for refreshments and snacks. This will provide an opportunity for the high school students to experience the social atmosphere with ATC students.</p> <p>Option 3 has been executed via email sent to Dr. Gary Martin and Principal Jannard Rainey. The Culinary Arts department will provide desserts for the student attendees.</p>
Letter Invitation for Hapeville Academy	<p>Dr. Williams is in the process of signing. Dr. Garrett will forward an electronic copy to Dr. Gary Martin, Chair of the Hapeville Academy board.</p> <p>On February 12, 2015, Principal Rainey from Hapeville Academy confirmed that 50 students will be attending on Wednesday, February 25, 2015.</p>
3D Printing Vendor	<p>Ms. Penn reported the following:</p> <p>The vendor who is supplying my 3D Printer is bring a similar setup to the one we purchased. He also included the following information. All he needs is the number to cater to and the time slots. Read below.</p> <p>VENDOR: Technical Training Aids</p> <p>REPS: John Holt and Chris SolidWorks paraphernalia for giveaways</p> <p>Other Comments: We will bring our Suitecase Siemens PLC Trainer for Industrial Systems. We also have some Process Control Trainers in Aufwape's classroom. We also sell the Fanuc Robot that's on his</p>

TAACCT GRANT FEBRUARY 23-27, 2015 ENGINEERING WEEK

	<p>mechatronics trainer. I will bring my partner Chris along, so one of us can be in each classroom. We'll be able to discuss Engineering, Manufacturing, Mechatronics and the manufacturers who are looking for people with the skills you teach. I think we can do a pretty good job covering all those bases for you.</p> <p>Ms. Penn reported that the vendor is awaiting a student head count in order to prepare for prizes. Four vendors will be doing demos on Wednesday, February 25th in Ms. Penn's lab.</p>
National Engineer Week Communications	<p>The flyer was reviewed and updates were given to Mrs. Rodgers. She will distribute flyer once it is completed.</p> <p>Mrs. T. Rodgers distributed the final flyer to the group.</p>
To Do Items	<ol style="list-style-type: none"> 1. Attendee sheet for all events. (Assigned to Dr. Garrett) 2. Get finalized headcount of Hapeville Academy High School and provide to Ms. Penn. (Assigned to Dr. Garrett) 3. Plan schedule rotation for Wednesday, February 25th activities. (Assigned to Dr. Garrett) 4. Seek SGA student volunteers to serve as tour guides from Ms. Dessie Hall. (Assigned to Dr. Garrett) 5. Finalize the stackable programs diagram and email to the committee. (Assigned to Mr. Thomas Peoples) 6.
