

Yes! Engineering Technology at Athens Technical College is finally here!! Nanotechnology, Environmental Engineering, Electro-Mechanical Engineering and Mechanical Engineering are the four areas of focus.

YOU, the high school student, the displaced worker, the hobbyist, the veteran, YOU, who wants a career change.....or YOU who wants to know more about recycling, cool tools and technology.

All of this and more will be available during the Open House and Exploration Fair as part of the **National Engineers Week celebration on Wednesday, February 19 from 10am-2pm** at the Athens Technical College main campus.

Discover the possibilities and opportunities for a career in Engineering.
