The South Florida Manufacturers Association (SFMA) has invited a limited number of Broward College Florida TRADE students to participate in the **Annual Manufacturers EXPO**.

This is a networking event with regional manufacturers and service providers. It is going to be an evening full of thought provoking ideas on how to advance the state of manufacturing. You will have a chance to visit 50 exhibitors and find out what sets them apart from their competitors. This is a great way to meet regional manufacturers and learn about their business first hand.

**Space is limited. Dress is business casual. If you are interested,**

**RSVP by Friday, September 4, 2015 to
