

Florida is home to approximately 14,500 manufacturers who employ almost 329,000 people. By 2014, the top 15 largest growing manufacturing sectors will add nearly 13,000 new jobs in Florida.

## I'm active duty or a veteran. What's in it for me?

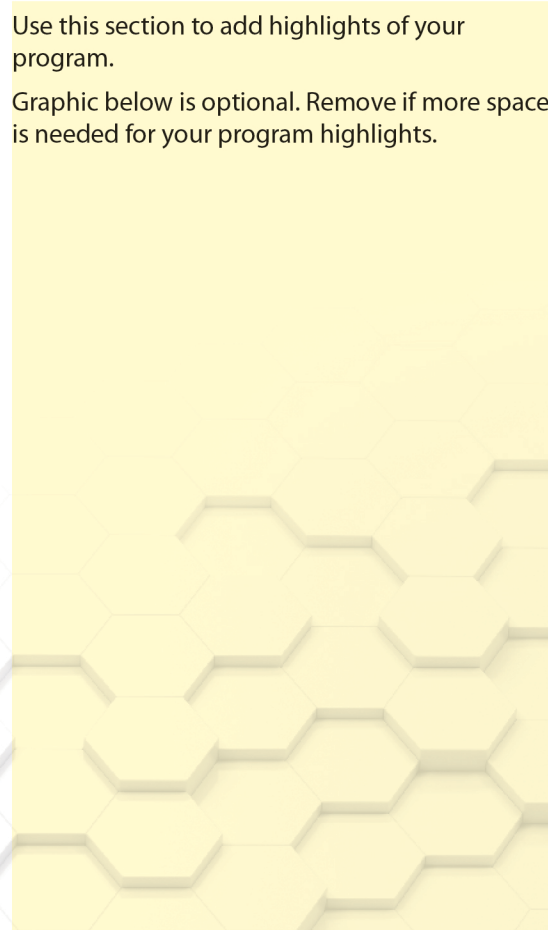

- Build upon your military experience
- Get short-term training targeted to specific high-demand jobs
- Veterans education benefits may pay for your program
- Enhance your resume with nationally recognized certifications
- Benefit from FREE career counseling, mentoring and placement services

## Program highlights

Use this section to add highlights of your program.

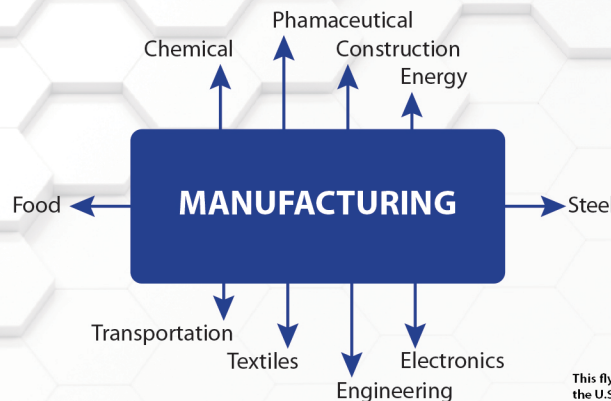

Graphic below is optional. Remove if more space is needed for your program highlights.

## Meet our partners

More than 60 companies in Florida are partnering with the Florida TRADE Consortium, and the list is growing.

- |                           |                                     |
|---------------------------|-------------------------------------|
| BAE Systems               | Mitsubishi Power Systems            |
| Belcan Engineering        | Oceaneering                         |
| Bovie Medical Corporation | Pelican Wire                        |
| Coca Cola                 | Pharmaworks                         |
| ConMed Linvatec           | QTM Inc.                            |
| Florida Power & Light     | Rybovich                            |
| Jabil                     | Sea Robotics                        |
| Lockheed Martin           | Southern Manufacturing Technologies |
| Metal Essence             |                                     |
