

Certified Production Technician Program (CPT)

In partnership with St. Charles Community College and MO Manufacturing Wins, Connections to Success is sponsoring the nationally recognized Certified Production Technician (CPT) Program at the Connections to Success office in St. Charles.

What:

The Certified Production Technician program is a nationally recognized program for entry level positions in manufacturing and for current employees who would like to improve their skill level. This class includes 160 hours of instruction in safety, manufacturing processes and production, quality practices and measurement techniques, and maintenance awareness. The class will begin in September 2014 and end in January, 2015.

When:

Grant funding is available for qualified, grant eligible applicants.
Starting Thursday, September 11th
Mondays 5:30 - 9:30PM / Thursdays 5:30 - 9:30PM

Where:

Connections to Success - St. Charles Campus
3000 Little Hills Expressway - Suite 102
St. Charles, Mo 63301
