Mission

New River Community and Technical College provides accessible, affordable, quality education and workforce programs to meet the needs of the region it serves.

www.newriver.edu

New River is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools, 800-621-7440 • www.ncahlc.org

New River Community and Technical College is an Affirmative Action/Equal Opportunity Institution, committed to the principle that minorities, women, veterans, and individuals with disabilities are encouraged to apply. The College does not discriminate on the basis of race, color, national origin, ancestry, sex, sexual orientation, age, religion, blindness or disability in its educational programs or in admission to, access to, treatment in, or employment as required by applicable state and federal law. Direct questions regarding nondiscrimination policies to: Allen Withers, Ph.D., Vice President of Student Services, 304-929-5008. AA/EOE/ADA

Helping Students Achieve Their Academic Goals

What We Do

At the Student Success Center (SSC), we are committed to providing all students the opportunity to achieve academic success by providing a variety of services free of charge. Our students can receive placement testing (ACCUPLACER), tutoring, academic advising, test/quiz proctoring, disability counseling, career assessment, success workshops, and the list is still growing.

Our Purpose

The Student Success Centers on each campus enhance the services already provided to our students. Many students need to increase their basic skills in math, reading, and writing while others may need substantial computer skills as well as upgrading their personal effectiveness skills including problem solving.

The Student Success Centers help students in overcoming barriers to a successful completion of their college program. New River believes that potential and current students need improved information and advising to complete their program of study.

Locations

Student Success Centers are located on each campus of the college and are staffed by Educational Counselors.

Advanced Technology Center

Bilal Boulali

Hours of Operation

The Student Success Centers are staffed during the Fall and Spring semesters from 8:00 am until 4:00 pm. Summer hours will vary in accordance with the College's summer work schedule. Hours of operation will be posted at each Center.

If you would like to obtain services, contact the Educational Counselor on your campus.

Supplemental Learning Activities

Supplemental learning activities are activities and services designed to assist students in certain academic programs. These activities are designed to supplement what happens in the classroom. These activities may be led by a peer group of students or by a faculty member. To find out if you are required to participate in supplemental activities, check with your instructor or program director.
