Evaluation and Observations: After reviewing the learning material, please indicate your agreement

with the following statements by placing an “x” in the applicable column where 5=excellent or strongly agree and 1=poor or strongly disagree.

1. Quality of Content – The Learning Material...	Stro ngly Agre e	Agree	Nei the r Agr ee	Dis agr ee	Stro ngly Disa gre	N/A
...is clear and concise	X					
...provides a complete demonstration of the concept	X					
...demonstrates a core concept grounded in the discipline	X					
...is current and relevant			X			
...is supported by appropriate research			X			
...is self-contained (can be used without requiring an assignment or context)	X					
...provides accurate information			X			
...is flexible (can be used in several situations)			X			
...includes an adequate amount of material	X					
...has strong workplace relevance	X					
...integrates the concept well	X					
Overall , the quality of the content is very high	X					
	5	4.5	3.5	2.5	1.5	0
Enter a numerical value that summarizes your attitudes above.	X					
Strengths (Describe the outstanding features of the quality of the learning material) Pertinent and current nursing issues.						
Concerns (Describe any problems in terms of quality) Need to update materials. The book they are using now has a 3 rd edition.						
2. Potential Effectiveness as a Teaching Tool/This Learning Material...						
...identifies learning objectives					X	
...identifies prerequisite knowledge					X	
...reinforces concepts progressively	X					
...builds on prior concepts	X					
...demonstrates relationships between concepts	X					
...is easy to integrate into curriculum assignments	X					
...is very efficient (could learn a lot in a short time)	X					
...can be used to measure student learning outcomes	X					
Overall , learning material is a very effective teaching tool	X					
	5	4.5	3.5	2.5	1.5	0
Enter a numerical value that summarizes your attitudes above.			X			
Strengths (Describe the outstanding features of the quality of the learning material) The you tube videos are great!						
Concerns (Describe any problems in terms of quality) some of the information is outdated (2014). Also, some of power point slides have spelling errors. Could not find a syllabus						
3. Ease of Use – This Learning Material...						
...is easy to use	X					
...has very clear instructions	X					
...is engaging	X					
...is visually appealing	X					
...is interactive	X					
...is of high design quality	X					
...meets accessibility requirements if able to assess	X					
...if an app, can be used on multiple types of mobile devices and platforms						X

...if an app, runs effectively without the internet						
Overall , the usability of this learning material is very high	X					
	5	4.5	3.5	2.5	1.5	0
Please enter the numeric value that summarizes your attitudes above.	X					
Strengths: (Indicate the outstanding features of the usability of the learning material)						
Concerns: (List problems in terms of usability) Also, do not know what book they are using. Not mentioned anywhere I could find. Videos on inflammation for NUR 201 are not of great quality. Hard to hear instructor.						
	5	4.5	3.5	2.5	1.5	0
What is your overall numeric rating for this material? Review your 3 ratings above and determine your overall rating – overall rating is a 4. Materials need to be updated. For example, Zofran is no longer recommended in the 1 st trimester. Also, Paxil is no longer a first choice medication for post partum depression.						
Optional Information:						
<p>1. Other comments to be included in the review: (If an app, respects privacy of user, meets PG rating standards, how frequently app is updated)</p>						
Comments to author only: (Any needed improvements or recommendations should be addressed here.) Update materials otherwise, very thorough.
