EMPLOYMENT HISTORY

Industrial Production Manager

August 2009 – Present

Hornady, Grand Island, NE

Plan, direct, and coordinate the work activities and resources necessary for manufacturing products in accordance with cost, quality, and quantity specifications.

Major Accomplishments

- Initiated and coordinated inventory and cost control programs.
- Developed and implemented production tracking and quality control systems, analyzing production, quality control, maintenance, and other operational reports, to detect production problems.

Molding and Casting Production Specialist

November 2004 – August 2009

Raymond Pool Systems, Grand Island, NE

Perform a variety of duties such as mixing materials, assembling mold parts, filling molds, and stacking molds to mold and cast a wide range of products.

Major Accomplishment

- Measured and cut products to specified dimensions, using measuring and cutting instruments.
- Created a new layout for materials which cut down on waste and saved the company \$1.20 per sheet or \$2,190.00 for every major order.

Production Specialist Helper

July 2002 – October 2004

Raymond Pool Systems, Grand Island, NE

Supplied and held materials and tools for the Production Specialists, and cleaned work area and equipment.

Major Accomplishment

- Recorded information, such as the number of products tested, meter readings, and dates and times of product production.
