

September 30, 2014

The purpose of this letter is to provide third party verification of the quality of Alpena Community College's curriculum.

By signing this letter, I certify that I am a knowledgeable professional in the field of cellulosic biofuels illustrated by my current position of Environmental Health and Safety Coordinator with The Alpena Biorefinery, a division of American Process Inc and have verified the industry validity of the material presented in the following course(s)/program(s):

- Industrial Safety
  - Confined Space
  - Chemical Hygiene
  - Hearing Conservation
  - Lockout/Tagout
  - HazCom
  - Ergonomics
  - Respiratory Protection
  - Electrical Safety
  - Fall Protection

Sincerely,

Matthew Konicek
