

how can **you** make an **IMPACT?**

Whether you're a manufacturer or industry looking for skilled workers or a potential worker looking to gain/hone your skills, the *Diversified Manufacturing Technology Certificate* at Central Community College may be your answer. This innovative program is aligned to nationally-recognized certifications for current and future manufacturing workers. The program focuses on safety, quality, production, and maintenance. Fall courses in Columbus associated with this program are:

AMDT 1100 – Intro to Industrial Safety:
8/17/15 – 10/8/15 (Morning or evening class times available)

AMDT 1110 - Intro to Quality and Continuous Improvement:
8/17/15 – 12/11/15 (Morning or evening class times available)

AMDT 1120 – Intro to Manufacturing Technology:
10/13/15 – 12/11/15 (Morning or evening class times available)
