

# What Job Will Work for You?

ERGOS Testing  
reveals your  
current physical  
abilities.

- ❖ Not sure what kind of job to look for? Or even what kind of job you can perform? **ERGOS testing can help.**
- ❖ The equipment will give you feedback about your present physical capabilities, including strength and stamina.
- ❖ Use that information to prepare and apply for the jobs that best match your physical strengths.
- ❖ Interested? For info and scheduling, contact : Kate Loden 402-761-8283
