

The new Diversified Manufacturing Technology Certificate provides industry-endorsed training and education in:

Maintenance • Production • Safety • Quality

This curriculum is aligned with the Manufacturing Skill Standards Council Certified Production Technician program. After receiving the certificate, students will have increased opportunities for employment and advancement in the industry.

Diversified Manufacturing Technology courses:

- PROT 1000 – Introduction to Process and Power Operations
- PROT 1010 – Safety Topics for Process and Power Operations
- PROT 1020 – Introduction to Process Operations in Manufacturing Technology
- PROT 1030 – Introduction to Quality and Continuous Improvement
