

The Diversified Manufacturing Technology Certificate is nationally endorsed education in **safety, quality, production,** and **maintenance.**

Did you know?*

- In Nebraska, the average annual salary in manufacturing is \$52,395
- Manufacturing is the second largest industry in Nebraska with over 1,800 establishments in the state
- For every \$1 spent in manufacturing, another \$1.48 is added to the economy, the highest multiplier effect of any economic sector
