

A CHANGE FOR THE BETTER IS JUST A DECISION AWAY.

Registration for the spring semester is January 4-8, 2016.
Classes begin January 11, 2016.

WELDING

If you like working with your hands, a career in welding offers excellent placement opportunities with a high pay scale. Earn a certificate in two semesters for structural welding or three semesters for combo welding.

COMMERCIAL DRIVERS LICENSE

The CDL program provides students with skills to obtain employment driving large trucks. Students learn on our top-of-the-line simulator and on the road. Upon completion of the eight-week course, students take the state licensure test.

Students can register for one of two CDL sections this spring: January 12-March 11 or March 21-May 13.

CONSTRUCTION TECHNOLOGY

The Construction Technology program provides students with skills for construction, integrating theory and application of today's technologies. Students can earn a certificate in two semesters.
