

Client: BSC
Date: May 11, 2015
Title: TREND TV and Radio - :30 seconds
Job #: 19722-1 and 19732-1
Draft: 4

:30 RADIO

ANNCR:

The world's demand for energy continues to grow, and so does the demand for highly-trained workers.

Whether you're just graduating from high school, already in the energy industry, or training for a new career, Bismarck State College can help you find your beyond – on our campus, or online with our Energy Education programs.

It's not too late to enroll for fall semester.

You choose your beyond, BSC will help you get there.
