

Who is a MAAC Candidate?

A brief overview of who can most benefit from utilizing the services and processes developed as part of the MAAC Program

<i>I am the ideal candidate for MAAC resources because...</i>	<i>MAAC can help...</i>
I am interested in the technical trades. I am in an entry-level job and would like to advance to a better paying position.	Consider the many award options at HTC that would lead to a better paying job.
I have manufacturing-related military experience. I have on-the-job experience in manufacturing. I have some coursework in manufacturing.	Facilitate testing out of entry-level courses allowing you to be placed further along in the curriculum, thereby shortening the time to earn an award.
I have some college credit. I have a combination of different types of training or college credits, but not a complete degree or award.	If the combination of your existing credits does not fit within an existing award, but may work toward earning an A.S. degree in Individualized Studies.
I would like to earn NIMS credentials. I would like to earn PMMI credentials.	Explore the coursework at HTC that would enable you to become credentialed.
I work full-time or have other responsibilities that prevent me from attending classes full-time.	Connect you to curriculum that may allow you to take a majority or all of the courses on-line. Provide access to a vLab with state-of-the-art simulators to practice skills or fulfill the hands-on requirements of a course.
